The Balloon Man Charlotte MacLeod, 2012-10-02 Long lost relatives and priceless jewels turn a wedding upside down For all the Kellings quirks no other family in Boston is more adept at throwing a wedding So when Max Bittersohn's wife Sarah Kelling offers to organize his nephew's nuptials Max is smart enough to stay out of her way But when the art fraud investigator stumbles onto a family mystery he is drawn into something far more serious than the question of who will catch the bouquet Stolen years earlier the priceless Kelling jewels were last seen in Amsterdam so how did they end up among the wedding gifts Max is trying to answer that question when a talkative burglar wallops him with a shovel in a failed attempt to rip off the rubies Then as the reception winds down a hot air balloon lands on the wedding tent spilling out the Zickerys a branch of the Kelling clan who prove even odder than the original strain Family weddings are never easy but for Max Bittersohn this one could be murder      *How Hard Can It Be?* Allison Pearson, 2018-06-05 First published in the United Kingdom by The Borough Press Copyright page      *Mathematics* ,      Back in Control Gregory Bodenhamer, 1984-02-15 In just thirty days you can get children to behave the way you want them to Whether their misbehavior is as minor as letting the dishes pile up and the trash overflow or as traumatic as a drug habit and stealing Back in Control will enable you to set and enforce rules that your kids will obey Back in Control is based on a highly successful program that has helped thousands of parents regain control over their children Without compromising your values away or kicking the kids out of the house it offers you the simplest most effective method of childhood discipline to date It presents a three step formula that is perfect

for virtually any adult wanting to control children's misbehavior. Instead of getting caught up in children's arguments and manipulations, *Back in Control* shows parents how to reestablish their rightful place as bosses of the family. Teachers are able to devote more time to teaching than to disciplining students. Probation officers and social workers working with parents in addition to managing their caseloads more effectively are able to permanently stop children from abusing drugs or alcohol, stealing, running away from home, and being truant. Children themselves learn that there are some rules they must obey whether they want to or not, and they will grow up believing that they can succeed in doing what is required of them. Power belongs to those who use it. And if you don't, your children will. If your children's problem behavior is out of hand, it's time you got *Back in Control*.

**The Nathaniel Chronicles** Jane Self, 2017-09-20. Is there a parent alive who hasn't at some point questioned her or his ability to raise a happy, healthy, well-adjusted child? Author Jane Self discovered that when it comes to raising children, nothing is certain. From the time her son was six until his wedding seventeen years later, Jane shared the uncertainties and fears, triumphs and joys of raising her son with fearless authenticity and warmth in her weekly newspaper columns and articles. *The Nathaniel Chronicles* is a collection of these capturing her roller coaster journey through motherhood in a delightful, poignant, often funny way that will have parents and nonparents alike nodding in recognition.

**Hot Flash Holidays** Nancy Thayer, 2016-10-18. The intrepid women of The Hot Flash Club are back for the holidays, soothing jingled nerves and stressed shoppers in their exclusive spa and celebrating the joys of the season. In her witty and delightfully wisecracking prose, Nancy Thayer tells a heartwarming tale packed with fun, secrets, romance, and an ample dose of good cheer. When the Hot Flash friends gather at the spa to trim the Christmas tree, they share steaming mugs of hot chocolate, a few laughs, and a vow to make this holiday one to remember. And it is, but not in the cheerful, ho-ho-ho way they expected. Instead, Christmas brings family conflicts, household accidents, plane delays, and that's just the beginning. After a hazardous holiday season, the women make resolutions that they intend to keep in a perfect world. But life and their friends and relatives cause complications. Shirley lends financial support to her boyfriend's schemes, which infuriates Alice, whose own son commits an act she's not sure she can accept. Marilyn travels to Scotland and falls in love, but her octogenarian mother needs her at home. And when Polly and Faye find themselves pitted against each other by a younger woman, can they overcome this clash to make a new entrepreneurial dream come true? Then real disaster strikes, bringing new challenges and surprising revelations. Just as every month of the year throws new problems at us all, so too does the end of the year give us the chance to reunite and put these problems into their proper perspective. And when the Hot Flash Five get together for the holidays, we should expect nothing less than the unexpected.
