E. White, Jr., 2014-08-29 The humorous stories that Dr White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage Funny things can happen at church and the behavior of some religious people can make you laugh and laugh Behind the humor in this book is often a spiritual truth But this is more than a religious book It is about changing times in North Carolina for three quarters of a century Dr White keeps telling about things he has learned during this time or maybe he is subtly teaching his readers to learn with him what religion is really all about The people in the stories may seem like someone you know in your own church or family The comical stories will entertain you while you ponder their meaning The more serious ones may touch you deeply **A Story of Love** Melissa Malcolm-Peck, 2019-10-17 This is our mother s story My story shows the tremendous opportunities for step up transformation that await us within life changing events This memoir is an uplifting account of a family who struggles through hardships and overcomes them with a deeper love for life and an infectious joy for living Melissa Malcolm Peck A Story of Love is an eye opening memoir about facing death and finally learning to live A mother of three young children survives a series of four heart attacks and undergoes a nineteen year transformational journey toward trust forgiveness and gratefulness Her three daughters have come together to finish her book sharing her legacy of love and a message of hope In losing life repeatedly Melissa and her

family learned to continually refocus on recreating a picture of health in all areas of life This helped her live a longer healthier and stronger life that anyone with major heart damage thought possible Melissa chose to live life to the fullest and chose to be of service to her family and community The art of refocusing on healthy living and relationships can benefit anyone This story offers an intimate look at the power of the human spirit the bonds of family and the mystery and miracle of grace
