Mentoring for Mission Günter Krallmann,2014-12-17 Gunter Krallmann seeks to explain in this book the ministry of Christ Gunter shows from Scripture how Jesus modeled witness to build His ministry In reading Krallman s book you will learn how Jesus Christ chose twelve men that would be with Him and would later turn world upside down and be challenged to apply these same principles in building your own ministry

Mothers on the Margin? E. Anne Clements,2014-05-01 The Gospel of Matthew opens with a patrilineal genealogy of Jesus that intriguingly includes five women Tamar Rahab Ruth she of Uriah and Mary In a gospel that has a strongly Jewish and male orientated outlook why are women incorporated In particular why include these four Old Testament women alongside Mary Rejecting traditional as well as feminist views Anne Clements undertakes a close literary reading of the narratives to discern how each woman is characterized and presented All are significant scriptural figures on the margins of Israelite society From this intertextual world established by Matthew Clements explores why Matthew may have named these women in the opening genealogy and what implications their inclusion may have for the ongoing gospel narrative Mothers on the Margin argues that Matthew s Gospel contains a counter narrative focused on women The presence of the five women in the genealogy indicates that the birth of the Messiah will bring about a crisis in Israel s identity in terms of ethnicity marginality and gender The women signal that Matthew s Gospel is concerned with the construal of a new identity for the people of God

Costly Love John H. Armstrong,2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so In Costly Love Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God

Say What? Ted Creen,2018-06-01 Think about the significant lessons that have impacted your life How many of them involve images or stories If you re like me such stories and images stick with you and they often arise from what I call say what moments when an insight or truth grips you in a way you ll never forget Jesus was a master storyteller He had the amazing ability to convey deep spiritual insights using stories and images drawn from the lives of everyday people We call these stories parables and they certainly evoked many say what moments in those hearing them But for us today those parables have often dimmed through their familiarity In this book we

will recapture the original impact of those parables by revisiting the context in which those stories were told using those insights to take a fresh look at the points Jesus was making and working through a series of probing questions to apply what we've learned to our lives today

Crossing the Schism John D. Smatlak, 2019-03-13 The Christian religion suffered three schisms during its two thousand year history Orthodox Protestant and Anglican schisms occurred in succession The Protestant schism resulted in the most significant change to how Christians worship Catholics and Protestants have the same core Christian beliefs However their worship practices are very different Currently Catholics and Protestants have difficulty even talking about those differences It seems like they speak in two different languages and neither side can understand the other In *Crossing the Schism* author John D Smatlak explains how Catholics and Protestants can reconcile their differences with a new way of approaching the Word Although Smatlak was raised in a Protestant Fundamentalist church and joined congregations from a variety of Protestant denominations he also attended many Catholic church services Because of that broad experience he successfully crossed the schism between Catholics and Protestants Though he remains Protestant he learned to speak both languages By first unlearning some false beliefs both Catholics and Protestants can accept that there are different ways to worship the same Christ *Crossing the Schism* exposes the false beliefs and uncovers forgotten truths building bridges of Christian love and understanding Because it's only when you learn about the perspectives of other Christians that you more fully understand your own Christian beliefs and grow stronger in your faith

The Gospel of Matthew, Volume One William Barclay, 2017-10-13 NOW IN AN ENLARGED PRINT EDITION Though we find the Gospel of Matthew first in the New Testament many scholars believe that the Gospel of Mark is older Matthew then is often seen as an expansion of Mark incorporating most of the content of Mark while also adding sections that contain the teachings of Jesus such as the Sermon on the Mount and stories about the birth and infancy of Jesus The Gospel of Matthew presents Jesus as one who is God with us even until the end of time For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives
