All Night by the Rose Kevin Newman, 2011-05-19 City on a Hill This city is like your own in a time period reminiscent of the 20th century It is filled with gleeful hedonists out in an urban landscape celebrating Merry Day Its narrative is experimental and filled with sharp observations as the characters go about their constant partying lives I was trying to channel Allen Ginsberg and Dr Seuss at the same time Heartbreaker The protagonist of this story is a misanthrope out to teach a lesson to a prior lover of his ex girlfriend This is an experiment in language I wrote it after reading A Clockwork Orange and wanted to try my hand at non colloquial vernacular Since I m not a linguistic scholar I chose a language that has been bouncing around in my head I d like to imagine that I m an expert in the linguistic choice within my own mind Down with Me This story takes place at a mental institution and is a slice of life narrative The protagonist and his friend have disorders in which things that cannot be there

are for them It s an experiment in meta fiction Pave the Planet This story takes place in the outdoor break area at Honda Manufacturing in Alliston Ontario The main characters spend their brief lunch period gossiping while the protagonist compares two time periods in his life It s an experiment of flashbacks and description Red Backed Betty The protagonist of this story is out clubbing When he meets a beautiful girl he spends the rest of his night wooing her How he s wooing her is reminiscent of the Red Backed Spider with metaphorically similar results This is an experiment in theme Life and Times of 34 Empire Path The protagonist of this story is a building located at the titled address The eras span six decades and within the context of these decades a narrative is weaved throughout It s an experiment with time He s Really my Brother In this tale the protagonist deals with the poor showing he made of being a good brother to a child adopted by his family It s a straight forward story although it plays with flashbacks and timing Kissing Eleanor This is a modern day romance between childhood sweethearts It s a pretty straight forward love story but as with most of what I write it doesn t really end up where Hollywood expects it to The Great Fall of a Mediocre Man A Love story kind of the opposite of Kissing Ellanore in that it doesn t begin as you d expect it but it has a feel good ending Saskatchewan Boulevard The protagonist reminisces about his childhood friend when he drives by his old house and then imagines what his friend is up to in Afghanistan Of course his imagination runs rampant and the reader ends up with a tale of eastern fantasy Nabakan and Benikhir This was written as a counterpoint to the standard western fantasy It s set in a fantasy world that is reminiscent of the Middle East Nabakan and Benikhir must save the people from the tyrant Po Janey Chu This is a children s story and a study of theology from that perspective It s representative of society and it s fantastic Star Trek White Trash This is satire aimed directly at space opera Captain Hicks and his crew of misfits deal with a new Vulcan communications officer and at the same time trouble in the Neutral Zone
