Gotta Find Me An Angel A Novel:

Honey Brenda Brooks,2019-10-01 How far would you go for love When 24 year old Nicole Hewett s beloved childhood friend Honey returns to their small northern town after an unexplained six year absence Nicole realizes how her life had stalled without her But the prodigal returns with troubling secrets and before long Nicole is drawn into a high stakes game Honey is a thrilling sensuous modern noir novel with a classic refrain nothing is more dangerous than love *African American Vernacular English as a Literary Dialect* Sophia Huber,2018-06-13 Knowledge about one s linguistic background especially when it is different from mainstream varieties provides a basis for identity and self Ancestral values can be upheld celebrated and rooted further in the consciousness of its speakers In the case of African American Vernacular English AAVE the matter is not straightforward and ultimately the social implications its speakers still face today are unresolved Through detailed analysis of the four building blocks phonology morphology syntax and vocabulary Sophia Huber tries to trace the development of AAVE as a literary dialect By unearthing in what ways AAVE in its written form is different from the spoken variety long established social stigmata and stereotypes which have been burned into the consciousness of the USA through a initially white dominated literary tradition will be exposed Analysing fourteen novels and one short story featuring AAVE it is the first linguistic study of this scope *Diving to the Bottom of Your Eyes* hierro blanco,2014-02-21 Diving to the Bottom of Your Eyes is the love story between two young men It starts in Madrid in the early seventies during the last years of the very strict and conservative Franco regime and involves characters directly linked to the social and political establishment It has been a short pure explosive and at the same time dramatic relation that left enduring memories and scars in the surviving partner It is written forty years later this means in the present time by the surviving partner in an utterly poetic and moving style As it is said in the text durable relations sometimes do not take a long time to consolidate they may well be quickly built in very robust terms and also quickly destroyed often all done by the same actors in absolute voluntary terms human nature is surely volatile or even very treacherous Respect David Ritz,2024-09-24 This illuminating biography presents a remarkably complex portrait of Aretha Franklin s music and her tumultuous life Rolling Stone Aretha Franklin began life as the golden daughter of a progressive and promiscuous Baptist preacher Raised without her mother she was a gospel prodigy who gave birth to two sons in her teens and left them and her native Detroit for New York where she struggled to find her true voice It was not until 1967 when a white Jewish producer insisted she return to her gospel soul roots that fame and fortune finally came with a rapidfire string of hits including the immortal anthem Respect Aretha continued to evolve for decades amidst personal tragedy surprise Grammy performances and career reinventions Again and again Aretha stubbornly found a way to triumph over troubles even as they continued to build Her hold on the crown was tenacious and in Respect David Ritz gives us the definitive life of one of the greatest talents in all American culture **Quill & Quire** ,2005 *Young God* Katherine Faw Morris,2014-05-06 Stripped down and stylized the sharpest boldest brashest
