Regulating Sexuality Rosie Harding, 2010-10-04 *Regulating Sexuality* Legal Consciousness in Lesbian and Gay Lives explores the impact that recent seismic shifts in the legal landscape have had for lesbians and gay men The last decade has been a time of extensive change in the legal regulation of lesbian and gay lives in Britain Canada and the US Almost every area where the law impacts on sexuality has been reformed or modified These legal developments combine to create a new uncharted terrain for lesbians and gay men And through an analysis of their attitudes views and experiences this book explores the effects of these developments Drawing on and developing the concept of legal consciousness *Regulating Sexuality* focuses on four different texts qualitative responses to a large scale online survey of lesbians and gay men s views about the legal recognition of same sex relationships published auto biographical narratives about being and becoming a lesbian or gay parent semi structured in depth interviews with lesbians and gay men about relationship recognition parenting discrimination and equality and fictional utopian texts In this study of the interaction between law and society in social justice movements Rosie Harding interweaves insights from the new legal pluralism with legal consciousness studies to present a rich and nuanced exploration of the contemporary regulation of sexuality

Sexuality and Citizenship Diane Richardson, 2017-09-18 *Sexual citizenship* has become a key concept in the social sciences It describes the rights and responsibilities of citizens in sexual and intimate life including debates over equal marriage and women s human rights as well as shaping thinking about citizenship more generally But what does it mean in a continually changing political landscape of gender and sexuality In this timely intervention Diane Richardson examines the normative underpinnings and varied critiques of sexual citizenship asking what they mean for its future conceptual and empirical development as well as for political activism Clearly written the book shows how the field of sexuality and citizenship connects to a range of important areas of debate including understandings of nationalism identity neoliberalism equality governmentality individualization colonialism human rights globalization and economic justice Ultimately this book calls for a critical rethink of sexual citizenship Illustrating her argument with examples drawn from across the globe Richardson contends that this is essential if scholars want to understand the sexual politics that made the field of sexuality and citizenship studies what it is today and to enable future analyses of the sexual inequalities that continue to mark the global order

The Queer Outside in Law Senthoran Raj, Peter Dunne, 2020-11-30 This book contributes to current debates about queer outsides and queer outsiders that emerge from tensions in legal reforms aimed at improving the lives of lesbian gay bisexual transgender intersex and queer people in the United Kingdom LGBTIQ people in the UK have moved from being situated as outlaws through prohibitions on homosexuality or cross dressing to respectable in laws through the emerging acceptance of same sex families and self identified genders From the partial decriminalisation of homosexuality in the Sexual Offences Act 1967 to the provision of a bureaucratic mechanism to amend legal sex in the Gender Recognition Act 2004 bringing LGBTIQ people inside the law has prompted enormous activist and academic

commentary on the desirability of inclusion focused legal and social reforms Canvassing an array of current socio legal debates on colonialism refugee law legal gender recognition intersex autonomy and transgender equality the contributing authors explore queer outsiders who remain beyond the law s reach and outline the ways in which these outsiders might seek to come within and or stay outside law Given its scope this modern work will appeal to legal scholars lawyers and activists with an interest in gender sex sexuality race migration and human rights law *Not The Marrying Kind* N.

Barker,2012-02-22 *Not the Marrying Kind* is a new and comprehensive exploration of the contemporary same sex marriage debates in several jurisdictions including Australia Canada South Africa the United Kingdom and the United States It departs from much of the existing scholarship on same sex marriage which argues either for or against marriage for same sex couples Instead this book begins from a critical analysis of the institution of marriage itself as well as separate forms of relationship recognition such as civil partnership PaCS domestic partnership and asks whether and how feminist critiques of marriage might be applied specifically to same sex marriage In doing this the author combines the theories of second wave feminism with insights from contemporary queer theory **Chinese Male Homosexualities** Travis Kong,2010-07-13

This book presents a groundbreaking exploration of masculinities and homosexualities amongst Chinese gay men It provides a sociological account of masculinity desire sexuality identity and citizenship in contemporary Chinese societies and within the constellation of global culture Kong reports the results of an extensive ethnographic study of contemporary Chinese gay men in a wide range of different locations including mainland China Hong Kong and the Chinese overseas community in London showing how Chinese gay men live their everyday lives Relating Chinese male homosexuality to the extensive social and cultural theories on gender sexuality and the body postcolonialism and globalisation the book examines the idea of queer space and numerous queer flows of capital bodies ideas images and commodities around the world The book concludes that different gay male identities such as the conspicuously consuming memba in Hong Kong the urban tongzhi the money boy in China and the feminised golden boy in London emerge in different locations and are all caught up in the transnational flow of queer cultures which are at once local and global *Homosexuality and the European Court of Human Rights* Paul

Johnson,2013-09-05 *Homosexuality and the European Court of Human Rights* is the first book length study of the Court s jurisprudence in respect of sexual orientation It offers a socio legal analysis of the substantial number of decisions and judgments of the Strasbourg organs on the wide range of complaints brought by gay men and lesbians under the European Convention on Human Rights Providing a systematic analysis of Strasbourg case law since 1955 and examining decades of decisions that have hitherto remained obscure the book considers the evolution of the Court s interpretation of the Convention and how this has fashioned lesbian and gay rights in Europe Going beyond doctrinal analysis by employing a nuanced sociological consideration of Strasbourg jurisprudence Paul Johnson shows how the Court is a site at which homosexuality is both socially constructed and regulated He argues that although the Convention is conceived as a living

instrument to be interpreted in the light of present day conditions the Court's judgments have frequently forged and advanced new social conditions in respect of homosexuality Johnson argues that the Court's jurisprudence has an extra legal importance because it provides an authoritative and powerful discursive resource that can be mobilized by lesbians and gay men to challenge homophobic and heteronormative social relations in contemporary societies As such the book considers how the Court's interpretation of the Convention might be evolved in the future to better protect lesbian and gay rights and lives

Re-reading Foucault Ben Golder, 2013 This title provides a collection which fully addresses the relevance of Foucault's thought for law The book provides an in depth analysis of Foucault's thought as it pertains to the crucial questions of law government and rights

Same-Sex Relationships, Law and Social Change Frances Hamilton, Guido Noto La Diega, 2020-01-15 This edited collection provides a forum for rigorous analysis of the necessity for both legal and social change with regard to regulation of same sex relationships and rainbow families the status of civil partnership as a concept and the lived reality of equality for LGBTQ persons Twenty eight jurisdictions worldwide have now legalised same sex marriage and many others some level of civil partnership In contrast other jurisdictions refuse to recognise or even criminalise same sex relationships At a Council of Europe level there is no requirement for contracting states to legalise same sex marriage Whilst the Court of Justice of the European Union now requires contracting states to recognise same sex marriages for the purpose of free movement and residency rights unlike the US Supreme Court it does not require EU Member States to legalise same sex marriage Law and Sociology scholars from five key jurisdictions England and Wales Italy Australia Canada and the Republic of Ireland examine the role of the Council of Europe European Union and further international regimes A balanced approach between the competing views of critically analytical rights based theorists and queer and feminist theorists interrogates the current international consensus in this fast moving area The incrementalist theory whilst offering a methodology for future advances continues to be critiqued All contributions from differing perspectives expose that even for those jurisdictions who have legalised same sex marriage still further and continuous work needs to be done The book will be of interest to students and scholars in the field of human rights family and marriage law and gender studies

Queer Theory: Law, Culture, Empire Robert Leckey, Kim Brooks, 2010-06-10 Queer Theory Law Culture Empire takes up the instability of the label queer in order to consider what queer theory can bring to an exploration of the confines and openings provided by law culture and empire

Feminist Perspectives on Family Law Alison Diduck, Katherine O'Donovan, 2007-03-12 Examining specific areas of family law from a feminist perspective this book assesses the impact that feminism has had upon family law It is deliberately broad in scope as it takes the view that family law cannot be defined in a traditional way In addition to issues of long standing concern for feminists it explores issues of current legal and political preoccupation such as civil partnerships home sharing reproductive technologies and new initiatives in regulating family practices through criminal law including domestic violence and youth justice

Fleeing

Homophobia Thomas Spijkerboer, 2013-07-18 Each year thousands of lesbian gay bisexual transgender and intersex LGBTI asylum seekers apply for asylum in EU Member States This book considers the position of LGBTI asylum seekers in European asylum law Developing an encompassing approach to the topic the book identifies and analyzes the main legal issues arising in relation to LGBTI people seeking asylum including the underestimation of the relevance of criminalization of sexual orientation as well as the large scale violence against trans people in countries of origin by some European states the requirement to seek State protection against violence even when they originate from countries where sexual orientation or gender identity is criminalized or where the authorities are homophobic the particular hurdles faced during credibility assessment on account of persisting stereotypes and queer families and refugee law The book gives a state of the art overview of law in Europe both at the level of European legislation and at the level of Member State practice While being largely focused on Europe the book also takes into account asylum decisions from Australia New Zealand Canada and the United States and is of relevance internationally offering analysis of issues which are not specific to particular legal systems

Understanding Narrative Identity Through Lesbian and Gay Youth Edmund Coleman-Fountain, 2014-07-23 This book contests the idea that lesbian and gay categories are disappearing and that sexuality is becoming fluid by showing how young people use them in a world in which heterosexuality is privileged Exploring identity making the book shows how old modernist stories of sexual being entwine with narratives of normality

Banning 'Conversion Therapy' Ilias Trispiotis, Craig Purshouse, 2023-11-30 This book looks at why and how states should legally ban LGBTQ conversion therapy Few states have legislated against the practice with many currently considering its legal ban Banning Conversion Therapy brings together leading academics legal and medical practitioners policymakers and activists to illuminate the legislative and non legislative steps that are required to protect individuals from the harms of conversion therapy in different contexts The book considers how best to address this complex and interdisciplinary legal problem which cuts across human rights law criminal law family law and socio legal studies and which represents one of the key contemporary problems of LGBTQ equality and national and international human rights activism

Refugees and Rights Mary Crock, 2017-05-15 This collection focuses on refugees victims of trafficking and others who cross borders seeking protection from anthropogenic or natural disasters Essays cover a broad range of topics from the refugee's rights to due process and the substance of entitlements at law to refugee rights in relation to disability and sexual orientation and across fields such as administrative processes social and cultural rights family reunion detention and the right of return Articles also cover the rights discourse outside traditional Western theatres This volume is a companion to Mary Crock's volume Migrants and Rights

Citizenship Dmitry Kochenov, 2019-11-12 The story of citizenship as a tale not of liberation dignity and nationhood but of complacency hypocrisy and domination The glorification of citizenship is a given in today's world part of a civic narrative that invokes liberation dignity and nationhood In reality explains Dmitry Kochenov citizenship is a story of complacency hypocrisy and domination flattering to citizens and

demeaning for noncitizens In this volume in the MIT Press Essential Knowledge series Kochenov explains the state of citizenship in the modern world Kochenov offers a critical introduction to a subject most often regarded uncritically describing what citizenship is what it entails how it came about and how its role in the world has been changing He examines four key elements of the concept status considering how and why the status of citizenship is extended what function it serves and who is left behind rights particularly the right to live and work in a state duties and what it means to be a good citizen and politics as enacted in the granting and enjoyment of citizenship Citizenship promises to apply the attractive ideas of dignity equality and human worth but to strictly separated groups of individuals Those outside the separation aren't citizens as currently understood and they do not belong Citizenship Kochenov warns is too often a legal tool that justifies violence humiliation and exclusion Challenging Diversity Dominic Cooper, 2004
