A series of fires threaten Lois. And while her friends blossom, Lois feels wilted. Although Lois finds fresh hopes turning stale in her second year in Green in the midst of challenges and lessons, Lois's journey still explodes with possibilities. *The Glory of Green* With wedding plans well underway, Lois Barker plots to gracefully get rid of her groom's catfish collection, stuffed ceramic woven. Her husband to be, Chris, on the other hand, has decided to get rid of something else, his homestead, which he gives to a needy Mexican family at church. However, the beloved small town journalist is about to be blown away by tragedy and by the grace that enfolds her in her third year in Green, Louisiana.
