Sweet Release Alexandria Saunders, **Never Just Once** Aubrey Hoffmann, 2025-02-08

Never Just Once I was supposed to be over him Bruno was my first love the boy with green eyes and dimples who stole my heart when I was thirteen My older brother's best friend The one I could never have Fifteen years later I've moved on Or at least I thought I had until one reckless kiss in his car changes everything Now Bruno needs a place to stay and without thinking twice I offer him my apartment Just six weeks That's all it is No feelings no strings no messy emotions We made the rules one night to get it out of our systems then we move on But the problem with rules They're meant to be broken Because once was never enough And now every glance lingers too long Every accidental touch sparks something I can't ignore Living under the same roof was supposed to be easy but resisting Bruno That might be impossible The real question isn't how we ended up here It's how we're supposed to walk away Never Just Once is a steamy forbidden brother's best friend romance packed with slow burn tension forced proximity and undeniable chemistry Perfect for readers who love passionate tension deep emotions and the thrill of giving in to temptation Some lines aren't meant to be crossed Some hearts aren't meant to be broken But with him once was never enough
