## **Good To Great By Jim Collins Quickie Book Summary:**

*Summary of Good to Great* Alexander Cooper, 2021-02-15 Summary of Good to Great Jim Collins's Good to Great examines companies that have not only endured over time but who managed the transition from being good companies to becoming outstanding performers. The eleven companies found to have taken this leap managed to outperform the stock market 6.9 times over fifteen years. The author set out to understand what distinguished great organizations from a carefully selected group of companies that did not make the grade. The research team came up with some unexpected outcomes. At the time of the transition from Good to Great, all eleven companies were being led by Level 5 Leaders. These people showed a unique combination of humility and professional will. They were prepared to do anything necessary for the benefit of the organization. Level 5 Leaders started out not by plotting the direction of the company but by ensuring that they had all the right people in the right positions. Then they confronted the brutal facts of their organization and used this knowledge to ensure that they chose the right direction for the firm. Knowing what the organization should be doing and equally importantly what it should not be doing, they stuck stubbornly to the plan even when they were in dire circumstances. The culture of discipline within the organization ensured that the path to excellence would eventually be met. Patience, endurance, and discipline doggedly sticking only to what the company did best resulted in outstanding results. This investigation of what distinguished the great from the mediocre is an excellent study of what is needed to build great organizations. Here is a Preview of What You Will Get: A Full Book Summary, An Analysis, Fun quizzes, Quiz Answers, Etc. Get a copy of this summary and learn about the book.

**Good To Great: by Jim Collins | Summary & Analysis** Elite Summaries, Detailed summary and analysis of Good To Great. **Summary of Good to Great** Elite Summaries, 2018-04-07 Good To Great by Jim Collins Summary Analysis A Smarter You In 15 Minutes. What is your time worth? Humility is the cornerstone of any successful business. The author of Good to Great skilfully outlined all the challenges it takes for a business to sustain long-term meaningful growth. Jim Collins meticulously outlined that great leaders are not over-indulgent or self-absorbent but are rather focus on the overall success and growth of their organizations. Great leaders are capable of identifying the best possible solution that can optimize even bad or mediocre companies. Primarily with effective management skills, they have the capabilities to efficiently and effectively transition any company from Good to Great. Collins' Hedge concept beautifully outlined the process of self-discovery. Most importantly, it teaches that you should find something that you are passionate about; once you have discovered that one thing, you can put all your passion into it and work assiduously to create your very own success story.
