Echoing the Story Brady Bryce, 2010-09-01 God is already at work in your life whether or not you recognize it. Participants in this twelve week small group Bible study will experience the whole Bible as the story of God. Plus they will become aware of God's story continued in everyday life as they practice listening to the stories of others and to life. In Echoing the story Brady Bryce provides a simple way for people to tell the scattered stories of their lives and re-imagine them in a bigger story. His innovative narrative approach invites curious skeptics, casual followers of God, and committed disciples of Jesus into community through listening to shared stories.

Staring at Sound: The True Story of Oklahoma's Fabulous Flaming Lips Jim DeRogatis, 2007-12-18 An engrossing and intimate portrait of the Oklahoma-based psychedelic pop band the Flaming Lips, cult heroes to millions of indie rock fans. In July 2002 the Flaming Lips released an ambitious album called *Yoshimi Battles the Pink Robots*, which merged elements of orchestral pop, electronic dance music, and old-fashioned psychedelic rock with lyrical themes that were simultaneously poignant and philosophical and supremely silly. The album sold a million copies worldwide, introduced the Flaming Lips to a mass audience, and made them one of the best-known cult bands in rock history. *Staring at Sound* is the tale of the Flaming Lips's fascinating career, which in reality began in 1983 and the many colorful personalities in their orbit, especially Wayne Coyne, their charismatic and visionary founder. Based on hundreds of hours of interviews with the band, it follows the Flaming Lips through the thriving indie rock underground of the 1980s and the alternative rock movement of the early 90s, during which they found fans in such rock legends as Paul McCartney, the Rolling Stones, Robert Plant, and Devo, and respected peers in such acts as the White Stripes, Radiohead, and Beck. It concludes with exclusive coverage of the group's latest album, *At War with the Mystics*.

HOW WE SEE GOD AND WHY IT MATTERS Robert J. Landy, 2001-01-01 This is a book about seeing the ultimate mystery as represented by the figure of God. It is not about religion per se, although it makes reference to many of the great religious traditions of the world and their gods. Rather, it is about the presence of the spiritual world and its inhabitants. The author's aim is to attempt to answer the question: How do we see God through engaging with the images created by a group of children from a number of different cultures and spiritual backgrounds? Through a two-year period, the author travelled the world interviewing more

than 500 children asking them to draw a picture of God to act and speak as God and to tell a story about God This text is a documentation of that journey into the lives and spiritual beliefs of children Throughout the book a broad selection of pictures and stories by the children is reproduced and paraphrased The author offers his own commentaries not as an analyst in a psychological sense or critic in a literary one but as a God seeker trusting in the power of the image to reveal meaning This unique book will be of primary interest to professionals in the field of psychology especially child and family therapists as well as art and drama therapy sociology and theology The book will also have appeal to parents and children who are looking for ways to understand their belief systems in relationship to others Translating Jesus Shauna

Created in the Image of God Dr. David Dockery,2023-08-01 All people have dignity because they are created in the image of God This theological belief has been a liberating force among its believers providing a myriad of beautiful implications in our world On the other hand where the idea of being created in God s image has been misunderstood the implications can be devastating Created in the Image of God brings together leading experts to discuss what it means to be made in image of God and to bring clarity and guidance for implications in the midst of our cultural confusion The overall approach of this work though distinct and focused in each of the chapters reflects a consensus understanding that men and women have been created in God s image that they have fallen and are influenced by sin that Christ has provided redemption through his vicarious death and resurrection and that there is hope in the promise of eternal life in Christ Christ succeeded where Adam failed Rom 5 12 21 1 Cor 15 allowing those who trust in him to enjoy and glorify him forever The rich chapters within and their helpful application to human dignity issues will help our world to regain a sense of the marvelous privilege that is ours as image bearers and how that should impact our engagement with complex dignity issues of our day

Warren,2017-04-04 The definitive account of the Ghost Dance religion which led to the infamous massacre at Wounded Knee in 1890 Winner of the Bancroft Prize in American History In 1890 on Indian reservations across the West followers of a new religion danced in circles until they collapsed into trances In an attempt to suppress this new faith the US Army killed over two hundred Lakota Sioux at Wounded Knee Creek In God s Red Son historian Louis Warren offers a startling new view of the religion known as the Ghost Dance from its origins in the visions of a Northern Paiute named Wovoka to the tragedy in South Dakota To this day the Ghost Dance remains widely mischaracterized as a primitive and failed effort by Indian militants to resist American conquest and return to traditional ways In fact followers of the Ghost Dance sought to thrive in modern America by working for wages farming the land and educating their children tenets that helped the religion endure for decades after Wounded Knee God s Red Son powerfully reveals how Ghost Dance teachings helped Indians retain their identity and reshape the
