Good Wives:

Good Wives Louisa May Alcott, 2006 Reconnect with Alcott's beloved March sisters as their story continues Includes a chain with charm Consumable *Good Wives* Laurel Thatcher Ulrich, 1991-06-04 This enthralling work of scholarship strips away abstractions to reveal the hidden and not always stoic face of the goodwives of colonial America In these pages we encounter the awesome burdens and the considerable power of a New England housewife's domestic life and witness her occasional forays into the world of men We see her borrowing from her neighbors loving her husband raising and all too often mourning her children and even attaining fame as a heroine of frontier conflicts or notoriety as a murderess Painstakingly researched lively with scandal and homely detail *Good Wives* is history at its best **Brabbling Women** Terri L. Snyder, 2014-02-15 *Brabbling Women* takes its title from a 1662 law enacted by Virginia's burgesses which was intended to offer relief to the poorer husbands forced into defamation suits because their brabbling wives had slandered or scandalized their neighbors To quell such episodes of female misrule lawmakers decreed that husbands could choose either to pay damages or to have their wives publicly ducked But there was more at stake here By examining women's use of language Terri L. Snyder demonstrates how women resisted and challenged oppressive political legal and cultural practices in colonial Virginia Contending that women's voices are heard most clearly during episodes of crisis Snyder focuses on disorderly speech to illustrate women's complex relationships to law and authority in the seventeenth century Ordinary women Snyder finds employed a variety of strategies to prevail in domestic crises over sexual coercion and adultery conflicts over women's status as servants or slaves and threats to women's authority as independent household governors Some women entered the political forum openly participating as rebels or loyalists others sought legal redress for their complaints Wives protested the confines of marriage unfree women spoke against masters and servitude By the force of their words all strove to thwart political leaders and local officials as well as the power of husbands masters and neighbors The tactics colonial women used and the successes they met reflect the struggles for empowerment taking place in defiance of the inequalities of the colonial period **Women of Colonial America** Brandon Marie Miller, 2016-02-01 New York Public Library Teen Book List In colonial America hard work proved a constant for most women some ensured their family's survival through their skills while others sold their labor or lived in bondage as indentured servants or slaves Yet even in a world defined entirely by men a world where few thought it important to record a female's thoughts women found ways to step forth Elizabeth Ashbridge survived an abusive indenture to become a Quaker preacher Anne Bradstreet penned her poems while raising eight children in the wilderness Anne Hutchinson went toe to toe with Puritan authorities Margaret Hardenbroeck Philipse built a trade empire in New Amsterdam And Eve a Virginia slave twice ran away to freedom Using a host of primary sources author Brandon Marie Miller recounts the roles hardships and daily lives of Native American European and African women in the 17th and 18th centuries With strength courage resilience and resourcefulness these women and many others played a vital

role in the mosaic of life in the North American colonies **Women's Roles in Eighteenth-Century America** Merrill D. Smith, 2010-02-26 This book offers a look at how the lives of women changed in the era when the United States emerged. Spanning the broad spectrum of Colonial era life, *Women's Roles in Eighteenth Century America* is a revealing exploration of how 18th century American women of various races, classes, and religions were affected by conditions of the times: war, slavery, religious awakenings, political change, perceptions about gender, as well as how they influenced the world around them. *Women's Roles in Eighteenth Century America* covers the area of North America that became the United States and follows the transformation of the British colonies into a new nation. The book is organized thematically to examine marriage and the family, the law, work, travel, war, religion, and education and the arts. Each chapter combines current research and primary sources to offer authoritative portraits of real lives of the everyday women during this pivotal early era in our history.

Women and Their Warlords Kate Merkel-Hess, 2024-08-19 Explores the complex history and legacy of elite wives, concubines, and daughters of warlords in twentieth century China. In *Women and Their Warlords*, historian Kate Merkel Hess examines the lives and personalities of the female relatives of the military rulers who governed regions of China from 1916 to 1949. Posing for candid photographs and sitting for interviews, these women did not merely advance male rulers' agendas. They advocated for social and political changes, gave voice to feminist ideas, and shaped how the public perceived them. As the first publicly political partners in modern China, the wives and concubines of Republican era warlords changed how people viewed elite women's engagement in politics. Drawing on popular media sources including magazine profiles and gossip column items, Merkel Hess draws unexpected connections between militarism, domestic life, and state power in this insightful new account of gender and authority in twentieth century China. *Good Wives* Louisa May Alcott, 2020-01-14 *Good Wives* is a novel by an American writer, Louisa May Alcott. The success of her first novel, *Little Women*, due to which the writer became very popular and had a great commercial success, prompted the author to write a sequel, *Good Wives*. This is a more serious and adult book. The main characters matured, and somebody even died. Nevertheless, the former naive sentimentality and didacticism are present in *Good Wives* too. Notable works: *Little Women*, *Good Wives*, *Little Men*, *Jo's Boys*, *Eight Cousins*.

Good Wives Louisa May Alcott, 2019-05-22 Louisa May Alcott (November 29, 1832 – March 6, 1888) was an American novelist. She is best known for the novel *Little Women*, set in the Alcott family home, Orchard House, in Concord, Massachusetts, and published in 1868. This novel is loosely based on her childhood experiences with her three sisters. Alcott was the daughter of noted transcendentalist and educator Amos Bronson Alcott and Abigail May Alcott. Alcott's early education included lessons from the naturalist Henry David Thoreau. She received the majority of her schooling from her father. She received some instruction also from writers and educators such as Ralph Waldo Emerson, Nathaniel Hawthorne, and Margaret Fuller, who were all family friends. She later described these early years in a newspaper sketch entitled *Transcendental Wild Oats*. The sketch was reprinted in the volume *Silver Pitchers* (1876), which relates the family's experiment in plain living and high

thinking at Fruitlands As an adult Alcott was an abolitionist and a feminist In 1847 the family housed a fugitive slave for one week In 1848 Alcott read and admired the Declaration of Sentiments published by the Seneca Falls Convention on women s rights Poverty made it necessary for Alcott to go to work at an early age as an occasional teacher seamstress governess domestic helper and writer Her first book was Flower Fables 1849 a selection of tales originally written for Ellen Emerson daughter of Ralph Waldo Emerson In 1860 Alcott began writing for the Atlantic Monthly When the American Civil War broke out she served as a nurse in the Union Hospital at Georgetown D C for six weeks in 1862 1863 Her letters home revised and published in the Commonwealth and collected as Hospital Sketches 1863 republished with additions in 1869 garnered her first critical recognition for her observations and humor Her novel Moods 1864 based on her own experience was also promising She also wrote passionate fiery novels and sensational stories under the nom de plume A M Barnard Among these are A Long Fatal Love Chase and Pauline s Passion and Punishment Her protagonists for these tales are willful and relentless in their pursuit of their own aims which often include revenge on those who have humiliated or thwarted them Written in a style which was wildly popular at the time these works achieved immediate commercial success Wikipedia *Gentleman's Magazine* ,1837 *Burton's Gentleman's Magazine and American Monthly Review* Edgar Allan Poe,1838 **Women**

According to Men Suzanne W. Hull,2000-01-01 What was it like to be a woman when England was ruled by a queen but women had almost no legal power When marriage cost women their property rights When the ideal woman was rarely seen and never heard in public In other words what was it like to be a woman in England between 1525 and 1675 Suzanne Hull in *Women According to Men* answers these questions and more taking fascinating look at how women were described and prescribed to act by men during that time Hull the first woman ever appointed as a Principal Officer at the Huntington Library as well as the author of *Chaste Silent and Obedient* uses her years of experience researching 16th and 17th century texts to provide you with an authentic look at the state of women during the Elizabethan era Through an examination of texts written during that time about and for women Hull elucidates what the rules for women were then as well as discussing health habits household remedies theories on conception the care of children the making of food fashion and more **Love, Poetry, and Immortality: Luminous Insights of the World's Great Thinkers** William Gerber,2022-07-11 This book explores and illustrates the individuating characteristics and the interrelationships of love poetry and literary immortality such immortality that is as writers may win in the sense of being long remembered and appreciated by future readers From the book s numerous quotations of glittering literary passages it is evident that love is often expressed in poetry and that many authors especially those writing about love have expressed the winsome hope that their works would be greatly cherished by later generations Part One of the book illustrates by passages of matchless poetry the joys and perils of love and other outstanding features of love Part Two outlines the history of expressions by writers in many cultures of their confidence or hope that their works will make them immortal [The Message](#) Eugene H. Daily Life in the Colonial City Keith T. Krawczynski, 2013-02-20 An exploration of day to day urban life in colonial America The American city was an integral part of the colonial experience Although the five largest cities in colonial America Philadelphia New York Boston Charles Town and Newport held less than ten percent of the American population on the eve of the American Revolution they were particularly significant for a people who resided mostly in rural areas and wilderness These cities and other urban hubs contained and preserved the European traditions habits customs and institutions from which their residents had emerged They were also centers of commerce transportation and communication held seats of colonial government and were conduits for the transfer of Old World cultures With a focus on the five largest cities but also including life in smaller urban centers Krawczynski's nuanced treatment will fill a significant gap on the reference shelves and serve as an essential source for students of American history sociology and culture In depth thematic chapters explore many aspects of urban life in colonial America including working conditions for men women children free blacks and slaves as well as strikes and labor issues the class hierarchy and its purpose in urban society childbirth courtship family and death housing styles and urban diet and the threat of disease and the growth of poverty **Women's History: Britain,**

1850-1945 June Purvis, 2008 *Japanese Women in Science and Engineering* Naonori Kodate, Kashiko Kodate, 2015-07-30 The gender gap in science technology engineering and mathematics STEM varies greatly from country to country and the number of Japanese women in these fields remains relatively few This prompts us to ask why the proportion of female scientists in Japan is still remarkably low and what measures the government universities and research institutes are taking to address this issue This book sheds light on historical developments and the current gender equality situation in Japan through the lens of women in STEM It shows how a policy of gender equality in science and engineering has been introduced through the coordinated efforts of academia scientific societies and the government and how this has led to a slow but steady increase in female representation The book draws on extensive data including interviews with government officials scientists

and educators in Japan to provide a revealing case study on how the underrepresentation of women in the fields of science technology and engineering has been approached and dealt with by a national government It heralds a new era for female scientists by showcasing several programmes undertaken by government universities and national research institutions to support multiple career paths for and the progression of female scientists in Japan Tracing the historical development of Japan s policies towards women in science and education this book will be welcomed by students and scholars interested in Japanese studies comparative social policy gender studies employment and the history of science and technology *Women in the Chinese Enlightenment* Zheng Wang,1999-07-05 Rarely does a reviewer or publisher encounter a milestone this is it It is the first major study of the development of Chinese feminism in what is arguably the most formative period in the history of modern China In its women centered approach the book challenges the official women s history authored by the Chinese Communist Party and long accepted by Euro American scholars This book will set the agenda for future scholars researching the relationship between feminism and nationalism in China Dorothy Ko author of *Teachers of the Inner Chambers* When Perfect Isn't Enough Nancy Kennedy,2003 Addresses misperceptions associated with Proverbs 31 offering humorous guidance to burned out women on how to stop striving for unrealistic perfection level goals and to recognize that they are loved by God as they are Original New Women in Colonial Korea Hyaeweol Choi,2013 This book provides the first English translation of some of the central archival material concerning the development of New Woman sin ysng in Korea during the late nineteenth century and the first half of the twentieth century It includes selected writings of both women and men who put forward their views on some of the key issues of new womanhood including gender equality chastity divorce education fashion hygiene birth control and the women s movement The authors whose essays are included express a range of attitudes about the new gender ethics and practices that were deeply influenced by the incessant flow of new and modern knowledge habits and consumer products from metropolitan Japan and the West Emphasizing the global nature of the phenomenon of the New Woman and Modern Girl this sourcebook provides key references to a dynamic and multifarious history of modern Korean women whose ideals and life experiences were formed at the intersection of Western modernity Korean nationalism Japanese colonialism and resilient patriarchy

Reviewing **Good Wives**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
