**Stephen P. Osborne**

## **Good Government In The Tropics The Johns Hopkins Studies In Development:**

Good Government in the Tropics Judith Tendler, 1997 In Good Government in the Tropics Judith Tendler questions widely prevailing views about why governments so often perform poorly and about what causes them to improve Drawing on a set of four cases involving public bureaucracies at work under the direction of an innovative state government in Brazil the book offers findings of significance to the current debates about organization of the public sector workplace public service delivery decentralization and the interaction between government and civil society The case chapters represent four different sectors each traditionally spoken for by its distinct experts literatures and public agencies rural preventive health small enterprise development agricultural extension for small farmers and employment creating public works construction and drought relief With findings that cut across these sectoral boundaries the book raises questions about the policy advice proffered by the international donor community It shifts the terms of the prevailing debate away from mistrust of government toward an understanding of the circumstances under which public servants become truly committed to their work and public service improves dramatically The traditional focus on trying to eliminate rent seeking by reducing the state's role has made a contribution but lost much of its charisma Theoreticians and practitioners alike are looking for new ideas and Tendler offers a quite intriguing set of them The cases demonstrate surprising counter intuitive results that will be of interest even to those with little substantive interest in the particular setting described Theoretical novelty and elegant use of evidence combine to make this book a clear winner Peter Evans University of California at Berkeley

**World Development Report 1997**, 1997 This is the twentieth in the annual series assessing major development issues The report is devoted to the role and effectiveness of the state what it should do how it should do it and how it can improve in a rapidly changing world Governments with both centrally planned and mixed economies are shrinking their market role because of failed state interventions This report takes an opposite stance that state's role in the institutional environment underlying the economy that is its ability to enforce a rule of law to underpin transactions is vital to making government contribute more effectively to development It argues against reducing government to a minimalist state explaining that development requires an effective state that plays a facilitator role in encouraging and complementing the activities of private businesses and individuals The report presents a state reform framework strategy First focus the state's activities to match its capabilities and second look for ways to improve the state's capability by re invigorating public institutions Successful and unsuccessful examples of states and state reform provide illustrations

**International Handbook on the Economics of Corruption** Susan Rose-Ackerman, 2007-01-01 This collection of articles offers a comprehensive assessment of the subtle but nevertheless pervasive economic infrastructure of corruption It provides suitable core or adjunct reading for law school graduate and undergraduate courses on international economics international relations and international law American Society of International Law This exhaustive collection edited by Rose Ackerman cannot be called anything but excellent Overall a

wonderful addition to the literature Highly recommended C J Talele Choice Susan Rose Ackerman is a world class economist and an authority on the economics of corruption This is a fine reference volume that every economist interested in this important subject will want to have as a ready reference Jagdish Bhagwati Columbia University US Economic research on corruption aims both to isolate the economic effects of quid pro quo deals between agents and third parties and to suggest how legal and institutional reforms might curb harms and enhance benefits In this comprehensive Handbook top scholars in the field provide specially commissioned essays both theoretical and empirical exploring both types of research The Handbook begins with an introductory essay by the editor followed by two chapters written by leading exponents of cross country research However the focus of the Handbook is on research at the micro level where policy can be made and evaluated These microeconomic studies fall into several overlapping categories The first group includes studies that link corrupt incentives to institutional structures particularly the organization of the state The second draws implications from surveys of households or businesses and from controlled experiments The third concentrates on particular sectors such as education tax administration public works customs services and pharmaceuticals Finally two chapters assess corruption in the transition away from socialism in Europe and Asia     Democracy at Work Brian Wampler, Natasha Borges Sugiyama, Michael Touchton, 2020 Demonstrates how specific dimensions of democracy participation citizenship rights and an inclusionary state enhance human development and well being     **Lessons in State Capacity from Delhi's Schools** Yamini Aiyar, 2024-10-24 What will it take to build high performing purpose oriented public sector organizations in India In answering this question the voices of India's frontline officers charged with delivering a vast array of public services to citizens are dismissed all too quickly Public debates on the Indian state generally view them as corrupt apathetic incompetent and in urgent need of disciplining By training her focus on these voices Aiyar reveals the complex ways in which bureaucratic hierarchies processes and belief systems shape state capacity This book examines an ambitious effort to improve the quality of government schools particularly their ability to equip students with foundational literacy and numeracy in the city state of the National Capital Territory of Delhi Through the trials and tribulations of educational personnel bureaucrats and reform champions Aiyar captures the sites of resistance distortion and adoption of reform ideas Understanding these dynamics lies at the heart of the challenge of building high performing public sector organizations and improving state capacity     *Evaluation and Development* Robert Picciotto, Eduardo Wiesner Dur  n, 1998 The Institutional Dimension     Evaluation and Development Eduardo Wiesner, 2017-09-08 This study illustrates the social and political principal that institutions matter It explores not only how to get institutions to work efficiently but also how to assess the proper relationship between institutions and development challenges through evaluative techniques     **The New Poverty Strategies** P. Mosley, 2002-12-17 The contributors to this collection examine the progress and impact of the new poverty strategies which have governed the policies of development agencies over the past decade While in some areas progress has

been impressive in others it has been hampered by persisting inequalities civil conflict institutional gaps and turbulence in the international financial system In light of this The New Poverty Strategies proposes a range of new policies and donor initiatives designed to achieve greater success in poverty reduction in the new century **Public Sector Reform in**

**Developing and Transitional Countries** Christopher Rees,Farhad Hossain,2013-09-13 Over recent decades decentralization has emerged as a key Public Sector Reform strategy in a wide variety of international contexts Yet despite its emergence as a ubiquitous activity that cuts across disciplinary lines in international development decentralization is understood and applied in many different ways by parties acting from contrary perspectives This book offers a fascinating insight into theory and practice surrounding decentralization activities in the Public Sectors of developing and transitional countries In drawing on the expertise of established scholars the book explores the contexts achievements progress and challenges of decentralization and local governance Notably the contributions contained in this book are genuinely international in nature the chapters explore aspects of decentralization and local governance in contexts as diverse as Ghana Hong Kong India Indonesia Kazakhstan Morocco Tanzania Uganda and Viet Nam In summary by examining the subject of decentralization with reference to specific developing and transitional Public Sector contexts in which it has been practiced this book offers an excellent contribution towards a better understanding of the theory and practice of decentralization and local governance in international settings This book was published as a special double issue of the International Journal of Public Administration **Research in Security Sector Reform Policy** Andrea Edoardo Varisco,2017-07-19 This book

investigates the extent to which research has influenced and interacted with SSR policies programmes and activities implemented by the UK in conflict affected Sierra Leone Varisco uses concepts and notions from the literature on the policy process and research utilisation to explore the ways in which research has influenced UK led SSR policy Here the author analyses the evolution of the network of policy makers street level bureaucrats and researchers working on SSR in Sierra Leone and argues that two main variables an increased stability in the country and a progressive evolution of SSR in policy and research contributed to the expansion of the policy network over time and to a better use of research by street level bureaucrats on the ground This title derives from the Sierra Leone case study a series of recommendations to improve the use of research by international organisations and bilateral donors working in fragile states *Public Management:*

*Expanding the scope of public management* Stephen P. Osborne,2002 **The Making of Global City Regions** Klaus Segbers,Simon Raiser,Krister Volkmann,2007 Publisher description **Social Movements in India** Raka Ray,Mary Fainsod Katzenstein,2005-03-25 Social movements have played a vital role in Indian politics since well before the inception of India as a new nation in 1947 During the Nehruvian era from Independence to Nehru s death in 1964 poverty alleviation was a foundational standard against which policy proposals and political claims were measured at this time movement activism was directly accountable to this state discourse However the role of social movements in India has shifted during the last several

decades to accompany a changed political focus from state to market and from reigning ideologies of secularism to credos of religious nationalism In the first volume to focus on poverty and class in its analysis of social movements a group of leading India scholars shows how social movements have had to change because poverty reduction no longer serves its earlier role as a political template Nonetheless particular sectors of social movement politics remain the holding vessels for India's egalitarian conscience With distinctive chapters on gender lower castes environment the Hindu Right Kerala labor farmers and biotechnology Social Movements in India will be attractive to students and researchers in many different disciplines Contributions by Amita Baviskar Anuradha Chakravarty Vivek Chibber Gopal Guru Patrick Heller Ron Herring Mary John Mary Fainsod Katzenstein Neema Kudva Gail Omvedt Raka Ray and Tanika Sarkar Mexico's Transition to a Knowledge-based Economy Yevgeny N. Kuznetsov, Carl J. Dahlman, 2008-01-01 Knowledge and its application are now widely recognized to be key sources of growth in the global economy Putting knowledge to work allows countries to improve everyday life for their people opening up new possibilities for small and medium size enterprises and other less developed economic groups This volume examines the challenges and opportunities for Mexico's knowledge based economy offering strategies for making major improvements in the country's capacity to generate knowledge and transform it into wealth

Decentralization in Asia and Latin America Paul J. Smoke, Eduardo J. Gómez, George E. Peterson, 2006-11-28 Public sector decentralization has emerged prominently in many Asian and Latin American countries as a strategy to promote development and political reform Results in both cases have been mixed Despite broad similarities in intent and outcome contextual differences between the regions have led to striking differences in the way decentralization has been structured and implemented This volume takes an atypically historical and interdisciplinary perspective on decentralization highlighting how fiscal and political forces together have been shaping its evolution in the two regions **The Quiet Revolution** Tim Campbell, 2003-04-20 As if by unseen signal toward the end of the 1980s many Latin American governments suddenly transferred money and decision making power to local municipalities At the same time national authorities allowed local governments to choose their leaders in free and open elections The resulting revolution has been profound in its reach and stunning in the silent shift of power from central to local authorities The Quiet Revolution traces the growth and effects of decentralization and democratization in Latin America throughout the 1980s and 1990s Based on first hand accounts from mayors local officials and neighborhood leaders Tim Campbell focuses on those cities and towns that made the most of their new intergovernmental arrangements He further argues that the reforms which are vital to long term sustainable growth in the region are in danger of being smothered by current policy responses from national and international institutions Campbell's research conducted over a ten year span counters conventional wisdom about the role of development banks in the process of state reform and offers timely insights into similar events taking place in other parts of the world

**Measuring Empowerment** Deepa Narayan-Parker, 2005-01-01 Large scale poverty reduction depends on the effective

empowerment of poor people themselves This publication sets out a conceptual framework that can be used to monitor and evaluate empowerment programmes based on papers written by practitioners and researchers in a wide variety of fields including economics and political science sociology and psychology anthropology and demography These papers draw on research and practical experience at different levels from households to communities to nations and in various regions of the world

**Global HIV/AIDS Politics, Policy, and Activism** Raymond A. Smith, 2013-10-28 An international team of specialists in politics policy and activism provide an indispensable guide to the persistent challenges and emerging issues posed by the global HIV AIDS epidemic now in its fourth decade The HIV AIDS epidemic is at a critical turning point Compelling new findings herald the potential to eventually grind the epidemic to a halt through a combination of expanded treatment coverage and new biomedical approaches to prevention At the same time the severe global economic downturns have negatively affected wealthy donor nations that have provided the funds and technical support for programs in the developing world It is against this backdrop that this landmark three volume set was developed It provides a broad overview of the critical political issues surrounding HIV AIDS inspects key areas of policy and policymaking and spotlights the most important forms of activism and community mobilization The volumes reflect an eclectic and wide ranging set of issues written by an international team comprising dozens of authors from nations including the United States the United Kingdom Ghana South Africa Brazil Cambodia Norway and Qatar The international contributors represent a variety of disciplines and bring with them a range of styles and methodological approaches appropriate to their specific topics and disciplines An important addition to academic and public libraries this expansive work will benefit students and other readers interested in politics policymaking public health activism and community mobilization both in the United States and globally

The Regional Roots of Developmental Politics in India Aseema Sinha, 2005 This look at economic development in India focuses on interactions between the central state and regional elites India is widely regarded as a failed developmental state seemingly the exception that belies the prediction of a triumphant Asian century

Rethinking Environmental Management in the Pacific Rim Amrita Daniere, Lois. M Takahashi, 2017-11-22 This title was first published in 2002 Environmental degradation resulting from rapid industrialization has become a serious issue for the governments of Southeast Asia This volume focuses on three interrelated factors in environmental management in Bangkok and other rapidly developing urban areas along the Pacific Rim government policy and enforcement non governmental organization intervention and community participation

### **Good Government In The Tropics The Johns Hopkins Studies In Development Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Good Government In The Tropics The Johns Hopkins Studies In Development has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Good Government In The Tropics The Johns Hopkins Studies In Development has opened up a world of possibilities. Downloading Good Government In The Tropics The Johns Hopkins Studies In Development provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Good Government In The Tropics The Johns Hopkins Studies In Development has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Good Government In The Tropics The Johns Hopkins Studies In Development. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Good Government In The Tropics The Johns Hopkins Studies In Development. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Good Government In The Tropics The Johns Hopkins Studies In Development, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Good Government In The Tropics The Johns Hopkins Studies In Development has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Good Government In The Tropics The Johns Hopkins Studies In Development Books**

1. Where can I buy Good Government In The Tropics The Johns Hopkins Studies In Development books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Good Government In The Tropics The Johns Hopkins Studies In Development book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
