Good News To The Poor Social Involvement And The Gospel:

Good News to the Poor Tim Chester, 2013 The chasm between evangelism and social action needs to be bridged Chester convincingly argues that the truth of the gospel is best understood and embraced in the context of loving action and gospel centered community

Good news to the poor Tim Chester, 2012-12-17 How do we respond to the silent appeal in the dark eyes of the child in the charity catalogue or the blanketed figure in the cold shop doorway Should we share the gospel with them or a bowl of soup Throughout history men and women such as Wilberforce and Shaftesbury Carey and Booth have recognized a call to help the needy Others have argued that our first task is evangelism that Christians should not meddle in politics that social action is a distraction Do we serve Christ through preaching his Word or should we use words only when necessary Tim Chester argues passionately that evangelism and social action are inseparable as two arms of the church s mission He presents a biblical case for truly evangelical social action that is shaped and inspired by the gospel He shows how social activity is a response to evangelism a bridge and a partner to it He urges conservatives not to marginalize those who uphold the cause of the oppressed and those involved in social action not to neglect the preaching of the Word

Good News to the Poor Tim Chester, 2004 Tim Chester argues that evangelism and social action are inseparable as two arms of the church s mission He presents a biblical case for truly evangelical social action that is shaped and inspired by the gospel He shows how social activity is a response to evangelism a bridge and a partner to it He urges conservatives not to marginalize those who uphold the cause of the oppressed and those involved in social action not to neglect the preaching of the Word

of the Bible Bradford A. Anderson, Jonathan Kearney, 2018-04-19 Drawing on the work of leading figures in biblical religious historical and cultural studies in Ireland and beyond this volume explores the reception of the Bible in Ireland focusing on the social and cultural dimensions of such use of the Bible This includes the transmission of the Bible the Bible and identity formation engagement beyond Ireland and cultural and artistic appropriation of the Bible The chapters collected here are particularly useful and insightful for those researching the use and reception of the Bible as well as those with broader interests in social and cultural dimensions of Irish history and Irish studies The chapters challenge the perception in the minds of many that the Bible is a static book with a fixed place in the world that can be relegated to ecclesial contexts and perhaps academic study Rather as this book shows the role of the Bible in the world is much more complex Nowhere is this clearer than in Ireland with its rich and complex religious cultural and social history This volume examines these very issues highlighting the varied ways in which the Bible has impacted Irish life and society as well as the ways in which the cultural specificity of Ireland has impacted the use and development of the Bible both in Ireland and further afield **Global**
