Campbell Morgan,2017-01-30 This volume based on seventy three sermons that consecutively cover Matthew s Gospel receives strength through the very roughness and directness of the word spoken under the inspiration of vast visible audiences while addressed to the impressionable hearts of men From first to last the various units in the exposition proceed on the assumption that it was the intention of the writer to set forth the Person of our Lord in relation to His kingly office So from the mystic account of His advent in human history through the record of the authority of His ethical enunciation the mercifulness of His method the majesty of His death and the glory of His resurrection to the ringing claim of all authority and the clarion command to disciple the nations we are ever in the presence of the King In an enthusiastic review the Sunday School Times observes It will prove a mine of treasure for
