into a more acute and coordinated attempt to decontextualize specific knowledge in the information environment This book will be of much interest to students of media and communication studies war studies memory studies and international relations [Doonesbury.com's The War in Quotes](#) David Stanford,2013-07-30 THAT WAS THEN Once you ve got Baghdad it s not clear what you do with it It s not clear what kind of government you put in place How much credibility is that government going to have if it s set up by the U S military Dick Cheney 1991 MIND SET F Saddam We re taking him out George W Bush to three U S senators March 2002 WMD If the president wants to go to war our job is to find the intelligence to allow him to do so Alan Foley director CIA Weapons Intelligence to staff December 2002 THE PLAN There was no guidance for restoring order in Baghdad creating an interim government hiring government and essential services employees and ensuring that the judicial system was operational 3rd Infantry Division s official after action review INSURGENCY I really qualify it as militarily insignificant They are very small They are very random They are very ineffective Maj Gen Ray Odierno June 18 2003 REALITY Does the Iraq war strategy make America safer Sen John Warner I don t know actually Gen David Petraeus in Senate testimony September 11 2007 **American Newspaper Comics** Allan Holtz,2012 The most comprehensive guide to U S newspaper comics ever published *40: A Doonesbury Retrospective 1980 to 1989* G.
