It Had To Be You Walker:

It Had to be You Susan May Warren, 2014 Eden Christiansen is standing on the sidelines of her own life and she doesn't know how she got there. Jace Jacobsen desperately wants out of the spotlight. When they meet, tensions are high as each pulls the other into a world they want but think they don't deserve. Eden dreams of being a real reporter and Jace longs to be seen as more than just an NHL enforcer but fear holds both of them back from finding happiness on their own and with each other.

It Had to Be You Mike Owens, 2022-05-23 Phil Claussen couldn't very well leave her out there in the middle of nowhere shoeless and barely dressed so he offers her a ride. When he asks why she's hitchhiking on a deserted road she says, "Waiting for you." I've been waiting for you for a long time. Impossible, he says. I've never set foot in Oklahoma before. He asks more questions but gets very few answers. They are on the road together for three days before he learns her name, Dani. He soon discovers that he's driven into a realm where events seem to be all set and waiting for his arrival, a place where his own treasured free will means very little. Falling in love with Dani becomes his favorite part of the process. But if it was all arranged so carefully before he got there, how does he wind up in jail charged with two murders and Dani as the chief witness for the prosecution?

It Had to Be You Ellie Adams, 2014-08-28 The worst break up ever. Could be the best thing that has ever happened to her. Lizzy Spellman has been dumped. At a party. While wearing a Henry VIII costume. By the man she thought was The One. Someone even filmed it so now she's a massive YouTube hit sensation too. Just when she thinks things can't get any worse she meets the rudest, most cynical man in the world and gets a new mission in life. To prove him wrong. Love does exist and she's going to find it.

It Had to Be You Mary Higgins Clark, Alafair Burke, 2024-12-24 In the latest thrilling entry of the bestselling Under Suspicion series by Queen of Suspense Mary Higgins Clark and Alafair Burke, television producer Laurie Moran investigates the unsolved murder of a beloved couple celebrating the college graduations of their successful twin sons. The two identical brothers seemed perfect in every way: handsome, intelligent, popular. Until a shocking summer night when one brother killed his parents in cold blood while the other brother had an iron-clad alibi. But which twin was where during the murders? And is it possible the two of them planned the perfect crime together? Years later the twins are long estranged, each of them claiming to be convinced that the other is responsible for the death of their parents. Married now with children of their own, they may finally be ready to clear one name at the expense of the other and turn to Laurie Moran and her team to reinvestigate their parents' murder. But as the Under Suspicion crew gets closer to the truth, the danger that was assumed to be left in the past finds its way into the present. Featuring chilling suspense, a cast of characters whom loyal readers have come to love, and a final jaw-dropping twist, *It Had to Be You* is not to be missed.
