only be chased away by reliving the past I had to find the courage to write in a foreign language and expose secrets that still haunted me Secrets that changed me and were the real reasons I had to leave the country I love I had to describe how I fled to unknown places without money friends or even a plan But no longer did I think of myself as helpless I could make my own choices Maybe I was tossed in the sea of life but it was up to me to swim and to confront my fears I found my safe harbor and to my surprise my husband who is there for me no matter what I no longer let circumstances dictate my life Instead of despair I now wake up in the morning glad for another day with my husband our dog and our home The girl no one loved is gone the mother who left her does not matter anymore nor does the life she once lived Looking back I realize that mistakes made were lessons learned I do not count wealth by money but by love and friends I have found that I am very rich indeed It is my hope that my story will inspire and give hope and courage to others Every life truly matters The Literature of America: From the civil war to the present Arthur Hobson Quinn, Albert Croll Baugh, Will David Howe, 1929 **WOMEN** Deepak Gupta, 2025-02-14 Every man I meet wants to protect me I can't figure out what from Mae West Virginia Woolf cleverly depicted as long as she thinks of a man nobody objects to a woman thinking Thousands of years have passed and women are still struggling for their independence and the strange thing when women have to protect themselves from the bad men they choose other men get caged and kick their own freedom Only the women who were loved by men wrote about men beautifully but vice versa happened too but how beautiful it is when the freedom of women is written by men As we are still discarding that we don't need a partner but we all know we need it as you can't expect a beautiful bird to be in your golden cage but on a windy tree where she can learn about herself and still feel a man loves her It's not hard to understand a woman as she becomes complicated as we become but as soon as you start loving her she unfolds her secrets and that would astonish you forever Loving a woman is magic as when she falls in love with you it is a fortune for generations and somewhere this love is conscious and pure If you are a woman take note of how to understand the feelings of a good man and if you are a man take note of how to love her deeply Men always seek power in relationship but that shouldn't be at the cost of your women's freedom A woman is the most mysterious human in this universe until you start loving her and that mystery starts unfolding it Women 15 Minutes Powerful Read will transform your love as women and men and assist you understand how beautiful it is to love each other and how to understand a woman and make her fall in love with you genuinely because women fall in love very late but accurately A woman's commitment is very hard to get until she feels she's around a man of true character A woman falls in love slowly but when she does she does and she will never regret her commitment When a woman trusts a man there's no variation and it's hard to achieve but through your honesty character Men want to be alone now Women want to be independent but nobody talks that we all needed love You don't always know the true worth of a woman's love until it becomes a memory Georgia Cates *A Benevolent Goddess* Anitha Krishnan, 2023-08-03 Countless gods you pray to Only one answers It will cost her dearly In a land where gods have long mastered the art of ignoring the
