Unblinded Traci Medford-Rosow, Kevin Coughlin, 2018-04-24. The USA Today bestselling biography of a man who lost his sight as an adult and regained it twenty years later without any medical intervention. Unblinded is the true story of New Yorker Kevin Coughlin who became blind at age thirty-six due to a rare genetic disorder known as Leber's Hereditary Optic Neuropathy. Twenty years later without medical intervention, Kevin's sight miraculously started to return. He is the only known person in the world who has experienced a spontaneous non-medically assisted regeneration of the optic nerve. Unblinded follows Kevin's descent into darkness and his unexplained reemergence to sight. Praise for Unblinded: A remarkable story of sudden blindness, new vision, and sight regained. It offers great insight into the nature of reality that which we perceive and that which we create for ourselves. Isaac Lidsky, New York Times bestselling author of *Eyes Wide Open*. Its pages take us at once on a remarkable true adventure and into the heart and mind of a most extraordinary individual. A beautifully written and inspiring tale and a reminder to us all about what really matters. Robert Kurson, New York Times bestselling author of *Rocket Men*. Unblinded provides honest, profound insight into the emotional trauma that occurs when vision is lost and the path forward in life cannot be seen. Lissa Poincenot, National Leber's Hereditary Optic Neuropathy Advocate. A fascinating behind-the-scenes tour of what went on during those years of darkness and how Kevin Coughlin, after battling alcoholism, loneliness, prejudice, and perhaps most of all himself, emerges as a man of wisdom and sight. Ann Campanella, award-winning and bestselling author of *Motherhood Lost and Found*.

The Search Titia Ellis PhD, 2010-11-15. A compelling story of an adopted woman's search for her truth and a mother lost, found, and lost again. *The Search* is a poignant memoir of the reality of an adoptee's life. I couldn't put it down. JOE SOLL, LCSW, PSYCHOTHERAPIST, AUTHOR OF *ADOPTION HEALING: A PATH TO RECOVERY*. Titia Ellis remembers the exact moment her life changed forever. Her mother, still in her dressing gown, sat in the chair opposite five-year-old Titia, and her older sister, twisting a handkerchief between her hands, while her father paced the floor behind her. Titia's stomach rolled over as her mother announced, "Daddy and I want to tell you something important about when you were born." As soon as she learns the story of her birth parents' untimely deaths and her subsequent adoption, Titia realizes that her adoption is to be kept a secret, never to be discussed again, out of fear of upsetting her mother. Wanting to be loved and to fit in, she obeys her parents' wishes until a mid-life crisis shatters her illusion of being the perfect daughter, wife, and mother. As Titia chronicles her poignant journey to find her birth mother, she details how she jeopardizes her relationship with her adoptive parents and threatens the privacy of unsuspecting strangers, all without any guarantee of a happy outcome. When Titia embarks on her quest to find her birth family, she immerses herself deep into her past, not knowing that what she discovers in the end will transform her entire life.

Lucky Girl Mei-Ling Hopgood,2025-05-01 In a true story of family ties journalist Mei Ling Hopgood one of the first wave of Asian adoptees to arrive in America comes face to face with her past when her Chinese birth family suddenly requests a reunion after more than two decades In 1974 a baby girl from Taiwan arrived in America the newly adopted child of a loving couple in Michigan Mei Ling Hopgood had an all American upbringing never really identifying with her Asian roots or harboring a desire to uncover her ancestry She believed that she was lucky to have escaped a life that was surely one of poverty and misery to grow up comfortable with her doting parents and brothers Then when she s in her twenties her birth family comes calling Not the rural peasants she expected they are a boisterous loving bossy complicated middle class family who hound her daily by phone fax and letter in a language she doesn t understand until she returns to Taiwan to meet them As her sisters and parents pull her into their lives claiming her as one of their own the devastating secrets that still haunt this family begin to emerge Spanning cultures and continents Lucky Girl brings home a tale of joy and regret hilarity deep sadness and great discovery as the author untangles the unlikely strands that formed her destiny

Complex Adoption and Assisted Reproductive Technology ,2001-03-07 New pathways to parenthood are being traveled by growing numbers of couples and single adults including many who face medical and social barriers to having children From a psychological standpoint families formed by complex adoption and assisted reproductive technology ART are first and foremost just that families Yet they also face a unique array of issues and challenges that may be clarified and resolved in the therapeutic setting This much needed book provides a deeper understanding of the ways that

complex adoption and ART shape the life experience of children and parents identifying important areas and methods for assessment and treatment Combining developmental and ecological research with in depth case material the book establishes an integrative framework for clinical practice The authors draw upon knowledge and skills gained from working in a variety of new family contexts In the area of adoption many new options have evolved that differ from traditional practices of adoption at birth Thousands of older children in foster and institutional care in the United States and abroad are awaiting permanent placements Open adoption kinship adoption and transracial adoption are also transforming family life as is the use of ART which raises significant issues of family identity and family process The book explores such key themes as the significance of early experience the capacity to recover from exposure to trauma the impact of heredity and the difference that environment can make and the centrality of primary attachment relationships Also discussed are the impact of bias and other issues affecting families of difference including lesbian and gay families Concluding chapters consider promising future directions for training and research This is an important resource for social workers family therapists clinical psychologists psychiatrists and other professionals working with children and families as well as researchers and students in these fields It will serve as a text in advanced undergraduate and graduate level courses

Consuming Motherhood Janelle S. Taylor, Linda L. Layne, Danielle F. Wozniak, 2004 Consuming Motherhood addresses the provocative question of how motherhood consumption as ideologies as patterns of social action mutually shape constitute each other in contemporary life

Creole Son E. Kay Trimberger, 2020-04-01 Creole Son is the compelling memoir of a single white mother searching to understand why her adopted biracial son grew from a happy child into a troubled young adult who struggled with addiction for decades The answers E Kay Trimberger finds lie in both nature and nurture When five day old Marco is flown from Louisiana to California and placed in Trimberger's arms she assumes her values and example will be the determining influences upon her new son's life Twenty six years later when she helps him make contact with his Cajun and Creole biological relatives she discovers that many of his cognitive and psychological strengths and difficulties mirror theirs Using her training as a sociologist Trimberger explores behavioral genetics research on adoptive families To her relief as well as distress she learns that both biological heritage and the environment and their interaction shape adult outcomes Trimberger shares deeply personal reflections about raising Marco in Berkeley in the 1980s and 1990s with its easy access to drugs and a culture that condoned their use She examines her own ignorance about substance abuse and also a failed experiment in an alternative family lifestyle In an afterword Marc Trimberger contributes his perspective noting a better understanding of his life journey gained through his mother's research By telling her story Trimberger provides knowledge and support to all parents biological and adoptive with troubled offspring She ends by suggesting a new adoption model one that creates an extended integrated family of both biological and adoptive kin
