This Dog Will Change Your Life Elias Weiss Friedman,2025-06-03 A uniquely insightful uplifting emotional and informative book that shows us how dogs make our lives better by making us better people from the Dogist Elias Weiss Friedman became known as The Dogist when he took thousands of photos of dogs and posted them online along with their unique dog stories Even before he was The Dogist though he was a Dogist a fervent dog lover and an evangelist about the relationship between dogs and humans and the joy this bond brings us in the modern world Over his decades of studying dogs and their people Elias has arrived at a deceptively simple realization Dogs make people s lives better by making people better Dogs improve us They save us They give our lives greater meaning and fulfillment They teach us to become the best versions of ourselves They help us understand our own identities deepen our relationships and remind us of patience purpose and commitment We constantly seek those things in our human life but so many of the answers are already right in front of us in our dogs This book weaves together stories of the many dogs Elias has been lucky enough to know both in his personal life and while doing his Dogist work Told in a light tone that does not shy away from more serious issues Elias is not above the occasional sentimental moment or dog pun this book charmingly explores the ways that dogs are not just our family and our friends but also irreplaceable beings capable of generating boundless love and restoring balance to our lives In an increasingly alienating and divisive world there is one clear remedy the one with four legs that rolls over for belly rubs Dogs can change our lives and this book might just change yours Country Life in America ,1915 No Wonder My Parents Drank Jay Mohr,2010-05-11 YOU LL NEVER SLEEP IN THIS TOWN AGAIN From Saturday Night Live to stand up from a blockbuster film career to the star of CBS s hit television show Gary Unmarried Jay Mohr is one of the funniest people in comedy today Now in this down and dirty tale of modern fatherhood Mohr shares his stories as a first time parent No Wonder My Parents Drank reveals the details behind Mohr s humiliating test tube conception attempts and then recounts the trauma of not only having to keep this child alive but having to spend time alone with him He waxes poetic about dirty diapers spins theories on spanking and mulls over the more hidden advantages of parenthood like carpool lane access carte blanche to use the ladies restroom and an alibi for missing family dinners Mohr describes in painfully funny detail the bizarre situations that all parents inevitably face but can never prepare for such as when his kid discovered his dog s rear end as well as moments of pure joy like taking his son to his first baseball game Mohr reports on the hilarious wisdom that his son Jackson has taught him like why it s fun to play Kissy Boy with the other boys at recess how important sunscreen is for avoiding a sunburn and
