Its Not About The Money How To Tap Into God Given Generosity:

It's Not about the Money Terry T. Munday, 2009 **Cultivating Generosity: Giving What'S Right, Not What'S Left** Rem Stokes, 2013-10-23 At last An insightful book about cultivating generosity from a generous lay leader and donor and not from a professional fundraiser or clergy leader Rem Stokes alone knows more about the psychology of donors and has demonstrated that insight over more years than a whole busload of ministers and consultants put together If you want to understand how to change the culture of your congregation or group in the direction of abundance not scarcity this is your guidebook Rev John Buehrens former president of the Unitarian Universalist Association Money pervades all aspects of our lives but we dare not discuss it for fear of touching the proverbial third rail The discomfort we experience may be that it reveals more than we want it to All individuals fear rejection and want acceptance And money becomes the agent of compensation the hopium of the masses But it is a false hope Money is extrinsic and can only buy external things Money simply cannot buy the things most worth having Wherever there is pain or embarrassment there is essential learning to be done I believe churches should address the stranglehold that money has on our attitudes Churches cannot be truly relevant to their members real life issues without addressing the money dimension that underlies their attitudes and behaviors You cannot compartmentalize a person into secular and spiritual categories without damaging his wholeness This book addresses that issue head on Churches need programs that let money permeate the environment in a wholesome and constructive way Those programs should help overcome the reluctance to discuss money and cultivate a culture of generosity This book provides a set of exercises and a rationale for churches to achieve these goals moving members from self interest to self esteem To Give or Not to Give John Rowell, 2007-01-03 John Rowell sets out a program that will enable affluent churches in the West to give generously across cultures without fear of promoting dependent hierarchical relationships **The Attraction Church** Billy Hornsby, 2011-02-16 Every church leader and church member want their church to grow The promise of The Attraction Church is that if a church experience is positive the lost absent and unfilled will come and complacent people in the pew will have their faith renewed Author Billy Hornsby says that what keeps most churches from growing are the methods they choose for their outreach efforts The local church must ensure visitors and members alike a good and lasting impression of their experience in church especially the worship service You must get the first impression right Hornsby insists From the website Facebook page Twitter accounts leadership blogs and parking lot to the worship facility and worship service the total church experience must speak to people s emotions and be relational and relevant The Attraction Church is both motivational and practical with guidance on how to accomplish this transformation and also presents case studies of some of the fastest growing and most innovative churches in America Here is a fresh vision for what the church can be *Grace of Giving* Marja Meijers, 2011 In *Grace of Giving* The fourth book in this series Marja Meijers answers these questions by taking an in depth look at the commandment do not steal Marja offers a liberating and fresh
