Its Always Something

Thomas Griffiths

Its Always Something:

It's Always Something Gilda Radner, 1989 I had wanted to wrap this book up in a neat little package I wanted a perfect ending Now I've learned the hard way that some poems don't rhyme and some stories don't have a clear beginning middle and end The world fondly remembers the many faces of Gilda Radner the adamant but misinformed Emily Litella the hyperkinetic Girl Scout Judy Miller the irrepressibly nerdy Lisa Loopner the gross out queen of local network news Rosanne Rosannadanna A supremely funny performer Gilda lost a long and painful struggle in May 1989 to the most unfunny thing in the world cancer But the face she showed the world during this dark time was one of great courage and hope It's Always Something is the story of her struggle told in Gilda's own remarkable words a personal chronicle of strength and indomitable spirit and love undiminished by the cruel ravages of disease This is Gilda with whom we laughed on Saturday Night Live warm big hearted outrageous and real This is Gilda's last gift to us the magnificent final performance of an incomparable entertainer whose life though tragically brief enriched our own lives beyond measure *It's Always Something by Gilda Radner* Gilda Radner, 1989 *It's Always Something* Gilda Radner, 2015-06-02 To honor the twentieth anniversary of beloved comedienne Gilda Radner's death from ovarian cancer comes a commemorative edition of her memoir It's Always Something featuring a newly updated resource guide for people living with cancer and a tribute by Radner's former colleagues at Saturday Night Live As a cast member on the original Saturday Night Live Gilda Radner created a compelling character named Roseann Rosannadanna who habitually ended her routine with the line It's always something which was her father's favorite expression about life Radner chose the catch phrase she made famous as the title to her brave funny and painfully honest memoir the story of her struggle against cancer and her determination to continue laughing Gilda's Club a network of affiliate clubhouses that seeks to provide a social and emotional support community to people living with cancer was founded in Radner's memory in 1991 The name of the organization comes from a remark Gilda once made that cancer gave her membership to an elite club I'd rather not belong to In partnership with Gilda's Club It's Always Something includes valuable information for all whose lives have been touched by cancer and reminds us of the important place laughter has in healing Told as only Gilda Radner could tell it It's Always Something is the inspiring story of a courageous funny woman fighting to enjoy life no matter what the circumstances She died in 1989 Gilda's Club is distinguished by its unique philosophy and program cancer support for the whole family the whole time Learn more about Gilda's Club at GildasClub.org It's Always Something Gilda Radner, 1989-01-01 The celebrated comedienne discusses the Saturday Night Live years and her movie roles her marriage to Gene Wilder her battle against ovarian cancer and her involvement with the Wellness Community a cancer patient support group **There's Always Something to Do** Christopher Rizzo-Gill, 2011-02-10 Peter Cundill a philanthropist and investor whose work has been praised by the likes of Warren Buffett found his life changed forever when he discovered the value investment principles of Benjamin Graham and began to put them into action There's Always

The Nimbus Robert P. Baird, 2025-06-10 A dazzling debut novel about a child whose literal enlightenment sets the stage for an exuberant tragicomedy of marriage religion and parenthood On an otherwise ordinary fall day on a university campus in Chicago the toddler son of an ambitious divinity school professor named Adrian Bennett mysteriously starts to glow The nimbus as the strange soft light comes to be known offers no clues to its origin and frustrates every attempt at rational explanation Though the nimbus appears only intermittently and not to everyone the otherworldly glow quickly upends the lives of all those who encounter it including Paul Harkin Adrian's broke and feckless graduate student who likes being a graduate student a little too much for his own good Renata Bennett Adrian's omniscient wife who can't see her son glowing even though the nimbus is turning her life upside down and Warren Kayita a down on his luck librarian and aging divinity school alumnus on the run from a violent criminal As news about the nimbus spreads around the university and beyond Adrian Paul Renata and Warren are set on a collision course that will threaten their lives and put their deepest convictions to the test At once a rollicking intellectual satire a searing portrait of a family in crisis and a thrilling metaphysical page turner The Nimbus offers a comic and profound examination of the persistence of spiritual belief in a secular age and humanity's timeless search for meaning

Experiences of Adults Following an Autism Diagnosis Kristien Hens, Raymond Langenberg, 2018-09-29 This book explores adult experiences of autism diagnosis Focusing on the experiences of 21 interviewees the structure of the book mirrors the seven stages undergone upon diagnosis and raises important questions about modern society and the self amidst this life changing news Analysing a broad range of empirical interview data including adults who had experiences of other diagnoses and adults who seemed to function normally before their autism diagnosis the authors use these stories to examine how autism diagnosis can be extremely important and helpful but also generate a great deal of negativity Illuminating a range of testimonies that have previously been kept in the shadows this book will not only appeal to students and scholars of autism in adults but also to practitioners as well as adults who have been diagnosed with autism

Precarity in European Film Elisa Cuter, Guido Kirsten, Hanna Prenzel, 2022-06-06 This volume brings together renowned scholars and early career researchers in mapping

the ways in which European cinema whether arthouse or mainstream fictional or documentary working with traditional or new media engages with phenomena of precarity poverty and social exclusion It compares how the filmic traditions of different countries reflect the socioeconomic conditions associated with precarity and illuminates similarities in the iconography of precarious lives across cultures While some of the contributions deal with the representations of marginalized minorities others focus on work related precarity or the depictions of downward mobility Among other topics the volume looks at how films grapple with gender inequality intersectional struggle discriminatory housing policies and the specific problems of precarious youth With its comparative approach to filmic representations of European precarity this volume makes a major contribution to scholarship on precarity and the representation of social class in contemporary visual culture Watch our book talk with the editors Elisa Cuter Guido Kirsten and Hanna Prenzel here <https://youtu.be/lKpD1NFAx2o>

The Acute-Care Nurse Practitioner Judy Rashotte, 2013-12-01 From the moment it was first proposed the role of the nurse practitioner has been steeped in controversy In the fields of both nursing and medicine the idea that a nurse practitioner can to some degree serve as a replacement for the physician has sparked heated debates

Perhaps for that reason despite the progress of the nurse practitioner movement NPs have been reluctant to speak about themselves and their work and their own vision of their role has thus remained largely invisible Current research is dominated by instrumental and economic modes of discourse and tends to focus on the clinical activities associated with the role Although information about demographics educational preparation position titles reporting relationships and costs of care contribute to our understanding what was missing was an exploration of the lived experience of the nurse practitioner as a means to deepen that understanding as well as our appreciation for their role The Acute Care Nurse Practitioner is based on in depth interviews with twenty six nurse practitioners working in acute care settings within tertiary care institutions all across Canada Employing a hermeneutic approach Rashotte explores the perspectives from which NPs view their reality as they undergo a transformational journey of becoming a journey that is directed both outward into the world and inward into the self We learn how in their struggle to engage in a meaningful practice that fulfills their goals as nurses their purpose was hindered or achieved In large part the story unfolds in the voices of the NPs themselves but their words are complemented by descriptive passages and excerpts of poetry that construct an animated and powerful commentary on their journey Poised between two worlds NPs make a significant contribution to the work of their colleagues and to the care of patients and families The Acute Care Nurse Practitioner offers an experiential alternative to conventional discourse surrounding this health care provider's role

The End of the Modernist Era in Arts and Academia Bruce

Fleming, 2022-03-28 This book identifies the now moribund Modernist spirit of the twentieth century with its make it new attitude in the arts and its tendency towards abstraction and the scientific process as the impetus behind the academic structures of universities and museums together with the development of discrete scholarly disciplines such as literary theory sociology and art history based on quasi scientific principles Arguing that the Modernist project is approaching exhaustion and that the insights that it has left to yield are approaching triviality it explores the Modernist links between the arts and academic pursuits of the West and their relationship with street protests in the long twentieth century considering what might follow this Modernist era An examination of the broad cultural and intellectual and now political trends of our age and their decline The End of the Modernist Era in Arts and Academia will appeal to scholars and students of social theory philosophy literary studies and cultural studies
