The Man Book Otto DeFay,2025-09-23 This book contains everything you need to know to be a man Everything It will prepare you for every situation you can imagine from the office to the bedroom It will improve your life no matter what you re doing whether you re in a bar in a fight in a wedding in an argument at a game at work or in a stranger s bed It s time to be a man Read this book Hard to Handle Hannah Blowers,2022-09-01 I was convinced I d found the woman I would spend the rest of my life with If only I d known she was married when we started dating Before I was already too invested to simply walk away Turns out all I was to her was a dirty little secret After she kicks me to the curb I tuck my tail between my legs and move in with my brother to pick up the pieces of my shattered heart and take a break from dating Or so I thought My plan to stay single for a while might ve worked if not for my brother s gorgeous neighbor showing me kindness when I least expect or deserves it Our first encounter is far from romantic but our mutual attraction is undeniable Since neither of us wants a relationship we agree to an arrangement we should be able to handle friendship until we both realize friendship isn t enough When we finally give in we can t get enough of each other Her previous relationship was scrutinized under a microscope and ended in an agonizing heartache that was difficult to bounce back from Unwilling to relive the past she s determined to keep this incredible thing we have behind closed doors and treats our relationship like glass If only I can convince her that what we have cannot easily be broken **Deconstructing Masculinity: Interrogating the Role of Symbolism in Gender Performativity** Lauren Dundes ,Michael Macaluso,2024-09-19 Progress towards gender parity is hindered by unconscious ways that hypermasculinity is valorized at a symbolic level By deconstructing how social and textual phenomena as well as social structures contribute to gender performativity we can elucidate hard to discern patterns that perpetuate hegemonic masculinity The subliminal elevation of symbols of hypermasculinity excludes both women and non gender conforming men By delving into these symbolic meanings that operate subliminally we can more effectively debunk beliefs that real men fall within narrow parameters of masculinity There remains much to explore in terms of hidden pressures for men to constrain their expression of emotions project an appearance of hardness and equate violence with power to name just a few persistent facets of toxic masculinity While abstract forms of inculcating hypermasculinity are difficult to identify interrogating their role in masculine performativity will result in a more comprehensive understanding of impediments to gender equality

The Covert Cam Girl JB Heller, Become a covert cam girl to help boost my self esteem what s the worst that can happen Apparently everything The idea seems innocent enough at first Turn my room into an online fantasy world and hide my identity behind a sexy maid s outfit and cute mask Everything is going great until Atticus Blaine a gorgeous single dad who I ve been quietly pining over recognizes me on one of my live feeds The epic misunderstanding that follows has me bending over backward to avoid the man But it s nearly impossible with us living in the same building And the little fact that he s determined to hunt me down It all has to end at some point though because taking

the stairs is really starting to suck My roommates say I should just give in and let him catch me But the decision is taken out of my hands when the sight of his bangin bod distracts me so much I end up scalding myself with boiling hot coffee He swoops in to save me but his help comes at a cost Be ready for a smokin hot single father his cocky teenage son an endearingly sweet heiress with a questionable hobby and hilariously witty banter that will have you snort laughing in no time in this opposites attract romantic comedy The Starfish Method JB Heller, He lives in the penthouse of the most luxurious complex in the city She shares an apartment with a lobster Hannah spends her days swimming with sharks chilling with her pet lobster Levi and avoiding commitment like the plague Sam s days are spent expanding his family s empire bickering with his cousin Tom and dodging scheming gold diggers They both want the same thing A few months of fun and companionship with an expiry date and hopefully no restraining orders Except as their self imposed deadline draws closer Sam finds he s had a change of heart Can the charismatic billionaire convince the eccentric commitment phobe to take a chance on love or will she sabotage them both with her trusty Starfish Method The Starfish Method is a standalone laugh out loud romantic comedy The lobster loving shark enthusiast and the workaholic billionaire are about to find out just how strongly opposites attract
