

Jacques Lacan Jacques Lacan

**Gautam Basu Thakur,Jonathan
Dickstein**

Jacques Lacan Jacques Lacan:

Four Fundamental Concepts of Psychoanalysis Jacques Lacan, 1998-06-02 Probes the relationship between psychoanalysis and science and religion as well as defining the unconscious the repetition the transference and the drive as the underlying concepts of psycho analysis

Jacques Lacan and the Logic of Structure Ellie Ragland, 2015-06-26 Lacan postulated that the psyche can be understood by means of certain structures which control our lives and our desires and which operate differently at different logical moments or stages of formation Jacques Lacan and the Logic of Structure offers us a reading of the major concepts of Lacan in terms of his later topological theory and aims to show how this was always a concern for Lacan and not only an issue in the last seminars Ellie Ragland discusses how various stages of formation can be uncovered topologically within language itself and operate to place certain properties fantasy the drive jouissance discourse and ethics in language itself In this way she explores not only how language actually works in tandem with the properties but also gives a different idea of what knowledge actually is and what implications that may have for reimagining and reworking differential diagnostic structures Jacques Lacan and the Logic of Structure is a compelling exponent of the innovative approaches Lacan takes to rethinking what psychoanalysis is and what it can do to enlighten psychoanalysts and treat patients It will be essential reading to psychoanalysts psychoanalytic psychotherapists training graduate students in the fields of film literary gender and cultural studies

Jacques Lacan and the Freudian Practice of Psychoanalysis Dany Nobus, 2013-01-11 Jacques Lacan and the Freudian Practice of Psychoanalysis paints a completely new picture of the man and his ideas The book succeeds in showing how ideas can become more accessible and re evaluates his significance within the field of psychodynamic psychotherapy The book is structured thematically around five key issues diagnosis the analyst's position during the treatment the management of transference the formulation of interpretations and the organisation of analytic training For each of these issues Lacan's entire work both published and unpublished material has been taken into account and theoretical principles have been illustrated with clinical examples The book also contains the first complete bibliography of Lacan's works in English Clear detailed and wide ranging Jacques Lacan and the Freudian Practice of Psychoanalysis will prove essential reading not only for professionals and students within the fields of psychology and psychiatry but for all those keen to discover a new Lacan

Jacques Lacan's Return to Freud Philippe Julien, 1994-06 From 1953 to 1980 Jacques Lacan sought to accomplish a return to Freud beyond post Freudianism He defined this return as a new covenant with the meaning of the Freudian discovery Each year through his teaching he brought about this return What was at stake in this renewal

Reading Seminar XI Richard Feldstein, Bruce Fink, Maire Jaanus, 1994-12-23 This book provides the first truly sustained commentary to appear in either French or English on Lacan's most important seminar The Four Fundamental Concepts of Psychoanalysis The 16 contributors unpack Lacan's notoriously difficult work in simple terms and supply elegant illustrations from a variety of fields psychoanalytic treatment film literature art and so on Each of Lacan's

fundamental concepts the unconscious transference drive and repetition is discussed in detail and related to other important notions such as object a cause of desire the gaze the Name of the Father the subject and the Other This volume also includes a translation of Lacan's companion piece to Seminar XI Position of the Unconscious an article from the French edition of the *Ecrits* that has never before appeared in English by one of the foremost translators of Lacan's work Bruce Fink As an indication of the importance of this article Lacan considered it to be the sequel to his *Function and Field of Speech and Language in Psychoanalysis* arguably his most important paper in the 1950s The contributors include many of the best minds in the Lacanian psychoanalytic world in Paris today Chapters include Excommunication Context and Concepts by Jacques Alain Miller The Subject and the Other I and II by Colette Soler Alienation and Separation I and II by Eric Laurent Science and Psychoanalysis by Bruce Fink The Name of the Father by Francois Regnault Transference as Deception by Pierre Gilles Gueguen The Drive I and II by Marie Hele ne Brousse The Demontage of the Drive by Maire Jaanus The Gaze as an Object by Antonio Quinet The Phallic Gaze of Wonderland by Richard Feldstein The Evil Eye of Painting Jacques Lacan and Witold Gombrowicz on the Gaze by Hanjo Berressem Art and the Position of the Analyst by Robert Samuels The Relation between Voice and the Gaze by Ellie Ragland The Lamella of David Lynch by Slavoj Zizek The Real Cause of Repetition by Bruce Fink Introductory Talk at Sainte Anne Hospital by Jacques Alain Miller and The End of Analysis I and II by Anne Dunand

Jacques Lacan Samo Tomšič, Andreja Zevnik, 2015-09-16 A charismatic and controversial figure Lacan is one of the most important thinkers of the twentieth century and his work has revolutionized a range of fields The volume aims to introduce Lacan's vast opus to the field of international politics in a coherent and approachable manner The volume is split into three distinct sections Psychoanalysis and Politics this section will frame the discussion by providing general background of Lacan's engagement with politics and the political Lacan and the Political each chapter will focus on different key ideas and concepts in Lacan's thought including ethics justice discourse object a symptom jouissance Political Encounters seeks to represent different ways of engaging with Lacanian thought and ways of adopting it to explain and comment on global political phenomena Bringing together internationally recognised scholars in the field this volume will be an invaluable resource to students and scholars in areas including critical theory international relations political theory and political philosophy

Jacques Lacan Jean-Michel Rabaté, 2001-02-20 The French theorist Lacan has always been called a literary theoretician Here is for the first time a complete study of his literary analyses and examples with an account of the importance of literature in the building of his highly original system of thought Rabaté offers a systematic genealogy of Lacan's theory of literature reconstructing a doctrine based upon Freudian insights and revitalised through close readings of authors as diverse as Poe Gide Shakespeare Plato Claudel Genet Duras and Joyce Not simply an essay about Lacan's influences or style this book shows how the emergence of key terms like the letter and the symptom would not have been possible without innovative readings of literary texts

The Seminar of Jacques Lacan Jacques Lacan, 1988 A complete

translation of the seminar that Jacques Lacan gave in the course of a year's teaching within the training programme of the Société Française de Psychanalyse. The French text was prepared by Jacques Alain Miller in consultation with Jacques Lacan from the transcriptions of the seminar. Psychoanalytic Politics, second edition, with a new preface Sherry Turkle, 2024-07-23. An updated edition of the seminal book that explores why the interest in psychoanalysis in France exploded after 1968 and what it says about culture and therapy. Among Western countries, France may well be the one that resisted Freud the longest. But in the late 1960s, France was seized by an infatuation with Freudianism. By the end of that decade, France had more than a psychoanalytic movement; it had a widespread and deeply rooted psychoanalytic culture. At the heart of this development was Jacques Lacan's reconstruction of Freudian theory, a reinvention of psychoanalysis that resonated with French culture in the aftermath of the uprisings of 1968. In *Psychoanalytic Politics*, the second edition of her groundbreaking work, Sherry Turkle tells the fascinating story of Lacan and why his work so profoundly influenced the French psyche. While in the United States, psychoanalysis is identified with an essentially conservative medical establishment, the French rediscovery of Freud in a dramatic enactment of Freud's prophesy became associated with the most radical elements of French philosophical and political life. In this book, Turkle provides a firsthand account of the psychoanalytic culture that developed in France as a politicized, Gallicized, and poeticized Freudianism, deeply marked by the work of Jacques Lacan. The clearest introduction in English to Lacan's teaching, *Psychoanalytic Politics* explores how cultures appropriate theories of mind and how ideas come to connect with individuals. The book's final chapter provides a fascinating portrayal of the last years of Lacan's life, the intrigue and power struggles that resulted in the break-up of the Freudian School he founded, and the events that unfolded in the years following his death in 1981. This edition includes a new preface by the author reflecting on the origins of the book and its relevance for today, a time when the integration of thought and feeling, politics and self-examination is as urgent an endeavor as ever. *Jacques Lacan* Marcelle Marini, 1992. Although many books have been published on Jacques Lacan that attempt to explain his work and to provide insights into the relationship between his work and his life, most of them depend largely on the small number of texts that were published in his lifetime. *JACQUERS LACAN* published to great acclaim in France in 1986, has now been translated into English. It is the first look at Lacan and his work from within the French context. Marcelle Marini, a knowledgeable insider, provides a full chronological, biographical, and bibliographical dossier, year by year, of the progress of Lacan's work. **Jacques Lacan** Slavoj Žižek, 2003. Jacques Lacan (1901-1980) is undoubtedly the central figure of psychoanalysis in the second half of the 20th century. The texts selected here present the entire scope of the Lacan debate. Jacques Lacan Jean-Michel Rabate, 2001-02-21. The French theorist Lacan has always been called a literary theoretician. Here is for the first time a complete study of his literary analyses and examples, with an account of the importance of literature in the building of his highly original system of thought. Rabate offers a systematic genealogy of Lacan's theory of literature, reconstructing a doctrine based upon Freudian insights and revitalised.

through close readings of authors as diverse as Poe Gide Shakespeare Plato Claudel Genet Duras and Joyce Not simply an essay about Lacan s influences or style this book shows how the emergence of key terms like the letter and the symptom would not have been possible without innovative readings of literary texts **The Seminar of Jacques Lacan** Jacques Lacan,1988-05-19 **Reading Lacan's Seminar VIII** Gautam Basu Thakur,Jonathan Dickstein,2020-03-23 This book provides 18 lively commentaries on Lacan s Seminar VIII Transference 1960 61 that explore its theoretical and philosophical consequences in the clinic the classroom and society Including contributions from clinicians as well as scholars working in philosophy literature and culture studies the commentaries presented here represent a wide range of disciplinary perspectives on the concept of transference Some chapters closely follow the structure of the seminar s sessions while others take up thematic concerns or related sessions such as the commentary on sessions 19 to 22 which deal with Lacan s discussion of Claudel s Co fontaine trilogy This book is not a compendium to Lacan s seminar Instead it attempts to capture through shorter contributions a spectrum of voices debating deliberating and learning with Lacan s concept In doing so it can be seen to engage with transference conceptually in a manner that matches the spirit of Lacan s seminar itself The book will provide an invaluable new resource for Lacan scholars working across the fields of psychoanalytic theory clinical psychology philosophy and cultural studies *Five Lessons on the Psychoanalytic Theory of Jacques Lacan* Juan-David Nasio,1998-07-10 In this first English translation of a classic text by one of the foremost commentators on Lacan s work Nasio eloquently demonstrates the clinical and practical import of Lacan s theory even in its most difficult or obscure moments **Jacques Lacan, Past and Present** Alain Badiou,Elisabeth Roudinesco,2014-05-06 In this dialogue Alain Badiou shares the clearest most detailed account to date of his profound indebtedness to Lacanian psychoanalysis He explains in depth the tools Lacan gave him to navigate the extremes of his other two philosophical masters Jean Paul Sartre and Louis Althusser Elisabeth Roudinesco supplements Badiou s experience with her own perspective on the troubled landscape of the French analytic world since Lacan s death critiquing for example the link or lack thereof between politics and psychoanalysis in Lacan s work Their exchange reinvigorates how the the work of a pivotal twentieth century thinker is perceived Freud's Papers on Technique, 1953-1954 Jacques Lacan,1988 This volume is the transcript of the first year of Lacan s world famous seminar Taking as its theme the technique of psychoanalysis within the framework of Lacan s return to Freud it includes elaboration of Lacan s notions of the symbolic the imaginary and the real the importance of speech and language in psychoanalysis and the interpretation to be put on the mirror stage **Feminine Sexuality** Jacques Lacan,1985 Jacques Lacan is arguably the most controversial psychoanalyst of our time **The Psychoses** Jacques Lacan,2013-11-19 During the third year of his famous seminar Jacques Lacan gives a concise definition of psychoanalysis Psychoanalysis should be the science of language inhabited by the subject From the Freudian point of view man is the subject captured and tortured by language Since psychosis is a special but emblematic case of language entrapment Lacan devotes much of this year to

grappling with distinctions between the neuroses and the psychoses As he compared the two relationships symmetries and contrasts emerge that enable him to erect a structure for psychosis Freud s famous case of Daniel Paul Schreber is central to Lacan s analysis In demonstrating the many ways that the psychotic is inhabited possessed by language Lacan draws upon Schreber s own account of his psychosis and upon Freud s notes on this case of paranoia The analysis of language is both fascinating and enlightening The Seminar of Jacques Lacan Jacques Lacan,1988-05-19

The book delves into Jacques Lacan Jacques Lacan. Jacques Lacan Jacques Lacan is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Jacques Lacan Jacques Lacan, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Jacques Lacan Jacques Lacan
- Chapter 2: Essential Elements of Jacques Lacan Jacques Lacan
- Chapter 3: Jacques Lacan Jacques Lacan in Everyday Life
- Chapter 4: Jacques Lacan Jacques Lacan in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Jacques Lacan Jacques Lacan. The first chapter will explore what Jacques Lacan Jacques Lacan is, why Jacques Lacan Jacques Lacan is vital, and how to effectively learn about Jacques Lacan Jacques Lacan.
3. In chapter 2, the author will delve into the foundational concepts of Jacques Lacan Jacques Lacan. The second chapter will elucidate the essential principles that need to be understood to grasp Jacques Lacan Jacques Lacan in its entirety.
4. In chapter 3, this book will examine the practical applications of Jacques Lacan Jacques Lacan in daily life. This chapter will showcase real-world examples of how Jacques Lacan Jacques Lacan can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Jacques Lacan Jacques Lacan in specific contexts. This chapter will explore how Jacques Lacan Jacques Lacan is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Jacques Lacan Jacques Lacan. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Jacques Lacan Jacques Lacan.
