Local Heroes The Political Economy Of Russian Regional Governance

Donald R. Kelley

Local Heroes The Political Economy Of Russian Regional Governance:

Local Heroes Kathryn Stoner, Kathryn Stoner-Weiss, 2002-05-05 In *Local Heroes* Kathryn Stoner Weiss analyzes a crucial aspect of one of the great dramas of modern times the reconstitution of the Russian polity and economy after more than seventy years of communist rule This is the first book to look comprehensively and systematically at Russia's democratic transition at the local level Its goal is to explain why some of the new political institutions in the Russian provinces weathered the monumental changes of the early 1990s better than others Using newly available economic political and sociological data to test various theories of democratization and institutional performance Stoner Weiss finds that traditional theories are unable to explain variations in regional government performance in Russia *Local Heroes* argues that the legacy of the former economic system influenced the operation of new political institutions in important and often unexpected ways Past institutional structures specifically the concentration of the regional economy promoted the formation of political and economic coalitions within a new proto democratic institutional framework These coalitions have had positive effects on governmental performance For democratic theorists this may be a surprising conclusion However it is possible as Stoner Weiss suggests that the needs of democratic development may be different in the short run than in the long run The local heroes of today may be impediments to the further development of democracy tomorrow This provocative work solidly grounded in research and theory will interest anyone concerned with issues of economic and political transition

The Political Economy of Post-Soviet Russia V. Tikhomirov, 2000-05-15 This book deals with general political and economic developments that took place in Russia since the collapse of the Soviet Union The major aim of the book is to analyse successes and failures of Russian reform attempts as well as their effect on the development of Russian regions particularly from the point of view of interrelation between socio economic tendencies and political developments Analysis concentrates on both national dynamics and dynamics of development in three main groups of regions mining agricultural and manufacturing

The Politics of Local Government in Russia Alfred B. Evans, Vladimir Gel'man, 2004-06-03 According to the Constitution of the Russian Federation adopted in 1993 local autonomy is one of the fundamental principles of the constitutional system *The Politics of Local Government in Russia* aims to provide a dedicated and comprehensive discussion of the pursuit of local self government in contemporary Russia where local refers to the third tier of government beyond federal and regional governments Some of the ablest scholars in the field focus on the existing institutional and social climate for municipal and district level government in Russia while placing recent reforms in a comparative and historical perspective

Regional politics in Russia Cameron Ross, 2024-06-04 This innovative multi contributed book now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly asymmetrical

Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia s regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia s Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective

Shadow Separatism Matthew Crosston, 2019-06-04 Originally published in 2004 Examining autonomy in the Russian Federation Matthew Crosston ascertains how the regional use of bilateral autonomy treaties has influenced the long term stability legitimacy and efficacy of the state The study challenges some long accepted conclusions about democratization and the devolution of power advancing into new international arenas Riker and Dahl s relatively ignored theoretical concerns that decentralized federations are ineffective and disintegrative while centralized federations are consolidating Scholars of Russian politics democratization ethnic conflict comparative intergovernmental relations and development will find this book particularly stimulating

Crafting Democracy Nicolai N. Petro, 2004 Shifting the focus Culture myth and symbols

MNCs in Global Politics John Mikler, Karsten Ronit, 2020-12-25 This authoritative book examines the power of multinational corporations MNCs to exert influence in global politics Focusing on the actions and motivations of MNCs it explores how they attempt to shape the political issues that affect them

Making and Breaking Democratic Transitions Vladimir Gel'man, Sergei Ryzhenkov, Michael Brie, 2005-01-12 Focusing on the vastly different outcomes of post Soviet regime transitions this study explores why some societies have become more democratic and some have not Based on in depth comparative analyses the book assesses political developments in six of Russia s regions Saratov Nizhnii Novgorod Volgograd Ryazan Ul'yanovsk and Tver oblasts since 1988 The authors consider the influence of Soviet governance systems on the emergence of cleavages and new actors in the post Soviet period They also analyze the impact of institutional changes on regional regimes and the success or failure of formal institutions as a framework for political competitiveness Placing their detailed field data within the larger comparative and theoretical context of political transitions the authors are able to explain the mixed outcomes of post communist regime change in Russia and other post Soviet nations With its innovative model of path contingent democratization and its new typology of political regimes and regime transitions this book will be essential reading for all scholars of democracy

Putin Richard Sakwa, 2004 The first study of Putin and his politics providing the biographical and political context needed to explain his astonishing rise from anonymous KGB apparatchik to leader of one of the world s most significant and fascinating countries

Federalism beyond Federations Mr

Klaus-Jürgen Nagel, Professor Ferran Requejo, 2013-03-28 Since the end of the Second World War a set of democratic European countries have established a decentralized system of government based on federal or regional patterns Some of these systems initially displayed an asymmetrical trend however some democracies have implemented a subsequent process of re symmetrization that changes the structure and the legitimization of the previous political agreements Charting the evolution of decentralization processes and asymmetries implemented in Belgium Denmark Finland France Italy Portugal Russia Spain Ukraine and the United Kingdom leading international scholars illustrate which countries have evolved more symmetrically why this is so and what the role of political actors in these processes have been In doing so each case study Examines the causes of the legal and constitutional asymmetries and the main political cleavages Analyses the main institutions actors and factors that influence the political dynamics of the territorial debate Questions whether there is such a process of re symmetrization Presents the main actors in favour of the process of re symmetrization and of maintaining the constitutional and legal asymmetries Written accessibly and contributing to key debates on federalism and asymmetry Federalism beyond Federations appeals to academics politicians decision makers and all those interested in the political problems facing modern democracies The Decline of Regionalism in Putin's Russia J. Paul Goode, 2011-05-11 This book reassesses the process whereby after 2000 Putin reversed the process by which in the 1990s power had shifted from Moscow to the regions It focuses on the dynamics of regional boundaries juridical boundaries which defined a region s territorial extent and thereby its resources institutional boundaries that sustained regional differences and cultural boundaries that defined the ethnic or technocratic principles on which a region could claim legitimate existence **Russia's Federal Relations** Elena Chebankova, 2009-12-04 The development of centre regional relations has been at the forefront of Russian politics since the formation of the Russian state and numerous efforts have been made by the country s subsequent rulers to create a political model that would be suitable for the effective management of its vast territory and multiple nationalities This book examines the origins underlying foundations and dynamics of the federal reforms conducted by President Putin throughout the eight years of his presidency It offers a comprehensive analysis of the nature of Russia s federal relations during this period as well as an examination of factors that led to the development of the extant model of centre regional dialogue It discusses how and why the outcomes of most domestic reforms and policies significantly vary from the initial intentions envisaged by the federal centre and argues that despite a range of positive developments the reforms resulted mainly in a redistribution of powers between the two levels of government and not in a fundamental rethinking of centre regional relations towards genuine federalism *Russian Regions and Regionalism* Anne Aldis, Graeme P. Herd, 2003-08-29 The emergence of large regions within Russia as centres of gravity for political and international power and the changing relationship between these emerging regions and the centre are critically important factors currently at work within Russia This book examines the whole question of Russian regions and regionalism It considers important themes related to

regionalism including demography security military themes and international relations and looks at a wide range of particular regions as case studies It discusses the extent to which regions have succeeded in establishing themselves as centres of power and assesses the degree to which President Putin is succeeding in incorporating regions into a hierarchy of power in which the primacy of the centre is retained **The Russian Far East** Susan F. Davis,2003-08-29 This book is a comprehensive introduction to the contemporary Russian Far East RFE and offers an argument about federal relations and power in the state It is the only easily available single volume book to examine the RFE in such depth After Communism Donald R. Kelley,2003-01-01 In this collection top scholars of Soviet and post Soviet studies convene to explore communism s aftermath They consider state building and consitutionalism the transition to market capitalism and democracy across Eastern Europe the political development of Muslim states the complex and differential developments of electoral systems the risks and opportunities of nationalism and new political and economic activities in Russia from corruption to contracts Editor Donald Kelley introduces the volume with a synthesis of the theoretical and empirical findings of the volume and his brief chapter introductions place each contribution in relation to the other essays and to larger debates on democratization

Boundary Control Edward L. Gibson,2013-01-07 The democratization of a national government is only a first step in diffusing democracy throughout a country s territory Even after a national government is democratized subnational authoritarian enclaves often continue to deny rights to citizens of local jurisdictions Gibson offers new theoretical perspectives for the study of democratization in his exploration of this phenomenon His theory of boundary control captures the conflict pattern between incumbents and oppositions when a national democratic government exists alongside authoritarian provinces or states He also reveals how federalism and the territorial organization of countries shape how subnational authoritarian regimes are built and how they unravel Through a novel comparison of the late nineteenth century American Solid South with contemporary experiences in Argentina and Mexico Gibson reveals that the mechanisms of boundary control are reproduced across countries and historical periods As long as subnational authoritarian governments coexist with national democratic governments boundary control will be at play **RUSSIA'S FAR EAST (p)** , In their introduction the authors bring the textiles to life by examining who made them how ideas travelled across the continent and the significance of pattern and symbolism In addition all the principal techniques are explained while brief commentaries highlight the design features Whether you are interested in graphic design or technical detail this inspiring book will be the first to open your eyes to a previously unexplored aspect of Africa **BOOK JACKET Autocratic and Democratic External Influences in Post-Soviet Eurasia** Anastassia Obydenkova,Alexander Libman,2016-03-09 As the Ukrainian Crisis shows both political regimes and national borders in Eurasia are still in a state of flux Bringing together literatures on the external influences of democratization the post Soviet space and support for autocracy Autocratic and Democratic External influences in Post Soviet Eurasia provides a comprehensive overview of the interaction of domestic and international politics during

times of regime transition Demonstrating the interplay of these forces the book explores the rich variation in motives and channels of autocratic and democratic influences International scholars consider two channels of external influence on regime transition the role of supranational organizations established by non democracies and the role of non governmental organizations and through a set of carefully chosen case studies offer a new theoretical discussion on the phenomenon of multi level regime transition

Cooperation, Environment, and Sustainability in Border Regions Paul Ganster,2001

Decentralization and Subnational Politics in Latin America Tulia G. Falleti,2010-04-12 Is it always true that decentralization reforms put more power in the hands of governors and mayors In post developmental Latin America the surprising answer to this question is no In fact a variety of outcomes are possible depending largely on who initiates the reforms how they are initiated and in what order they are introduced Tulia G Falleti draws on extensive fieldwork in depth interviews archival records and quantitative data to explain the trajectories of decentralization processes and their markedly different outcomes in Argentina Brazil Colombia and Mexico In her analysis she develops a sequential theory and method that are successful in explaining this counterintuitive result Her research contributes to the literature on path dependence and institutional evolution and will be of interest to scholars of decentralization federalism subnational politics intergovernmental relations and Latin American politics

Eventually, you will unquestionably discover a additional experience and talent by spending more cash. nevertheless when? accomplish you believe that you require to acquire those every needs next having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to comprehend even more not far off from the globe, experience, some places, considering history, amusement, and a lot more?

It is your certainly own become old to acquit yourself reviewing habit. in the course of guides you could enjoy now is **Local Heroes The Political Economy Of Russian Regional Governance** below.

Local Heroes The Political Economy Of Russian Regional Governance Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Local Heroes The Political Economy Of Russian Regional Governance PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Local Heroes The Political Economy Of Russian Regional Governance PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Local Heroes The Political Economy Of Russian Regional Governance free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Local Heroes The Political Economy Of Russian Regional Governance Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Local Heroes The Political Economy Of Russian Regional Governance is one of the best book in our library for free trial. We provide copy of Local Heroes The Political Economy Of Russian Regional Governance in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Local Heroes The Political Economy Of Russian Regional Governance. Where to download Local Heroes The Political Economy Of Russian Regional Governance online for free? Are you looking for Local Heroes The Political Economy Of Russian Regional Governance PDF? This is definitely going to save you time and cash in something you

should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Local Heroes The Political Economy Of Russian Regional Governance. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Local Heroes The Political Economy Of Russian Regional Governance are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Local Heroes The Political Economy Of Russian Regional Governance. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Local Heroes The Political Economy Of Russian Regional Governance To get started finding Local Heroes The Political Economy Of Russian Regional Governance, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Local Heroes The Political Economy Of Russian Regional Governance So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Local Heroes The Political Economy Of Russian Regional Governance. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Local Heroes The Political Economy Of Russian Regional Governance, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Local Heroes The Political Economy Of Russian Regional Governance is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Local Heroes The Political Economy Of Russian Regional Governance is universally compatible with any devices to read.
