

never turning his back to the Allfather.

His wings buzzing, Loki squeezed through the cracks in the huge front doors of Freyja's hall. He flew unseen down the long, dark passageways until he found his way into Freyja's sleeping chamber.

He landed on her perfect sleeping form, crawling up her arm to where her hand coveted the necklace. Even in sleep, he thought, *she covets the thing. How distraught will she be when she discovers it missing?*

He lowered his mouth to her flesh and bit deep. She moaned with pain, and her hand flew up to shake him off. He hovered just above, watching. When her hand came back down the necklace was exposed, and he too was astonished by its brilliance.

But not astonished enough to let four dwarfs have their way with him. He had been alternately amazed and repulsed by the four-day debauchery, and still found it difficult to recall without a shiver. When it was done, the dwarfs were near death, but their faces were frozen in grotesque grins.

He whispered the names and regained his own form. Bending over her, he looked for a way to unclasp the necklace without waking her.

Freyja's eyes opened, and before he had time to pull back, she gasped his shirt and pulled him down on her, locking her mouth onto his. He tried to pull himself free, but her persistent strength overwhelmed

him. He was rolled over onto his back, the contours of her body never leaving his, and she held his arms down and out of the way as she rubbed herself up against him.

She pulled his torso up off the bed without removing her mouth from his. With her other hand, she reached down and freed him from his pants. His arms hanging limp at his side—his strength and resistance already fading—she straddled his thighs and thrust herself down, forcing him up inside her.

Hours later, he lay strewn across the bed, body and soul drained of all strength. Freyja propped herself up by an elbow and ran her hand across his chest.

"It has been far too long since we've done that," she said. Loki could only moan in response.

She reached behind her neck, unclasped the necklace, and laid it down onto his stomach. "You came for this, I believe."

With effort, he picked his head up and stared at it. "You are . . . you are giving it to me?"

"You were sent for it, weren't you?"

"How did you know?"

She laughed. "Oh, Loki. You are so clever and yet so foolish. Do you think you are the only one with schemes?"

He rolled over onto his side and picked the necklace up, dangling it just in front of his face. "You planned this? But how could you—"
