[London, Londoners and the Great Fire of 1666](#) Jacob F. Field, 2017-08-07 The Great Fire of 1666 was one of the greatest catastrophes to befall London in its long history While its impact on London and its built environment has been studied and documented its impact on Londoners has

been overlooked This book makes full and systematic use of the wealth of manuscript sources that illustrate social economic and cultural change in seventeenth century London to examine the impact of the Fire in terms of how individuals and communities reacted and responded to it and to put the response to the Fire in the context of existing trends in early modern England The book also explores the broader effects of the Fire in the rest of the country as well as how the Great Fire continued to be an important polemical tool into the eighteenth century

Trade Wars Nils Ole Oermann,Hans-Jürgen Wolff,2022-11-03 This book explores the causes and instruments of 500 years of armed and non armed international trade conflicts Nils Ole Oermann and Hans J rgen Wolff draw on decades of experience to examine trade wars economic sanctions and different types of economic warfare investigating their history ethics economic driving forces and legality under current rules They provide a clear and accessible account of the economics of trade of trade and financial policy since the nineteenth century and of the effectiveness of sanctions and the winnability of trade wars The book also describes the transformation of economic warfare since 1989 namely in cyberspace and in the world financial system and shows how China s rise challenges the Western model of democracy and free market economies The authors conclude with a plea for improved economic statecraft and an overhaul of the current trading regime

The Elizabethan Mind Helen Hackett,2022-01-01 The first comprehensive guide to Elizabethan ideas about the mind What is the mind How does it relate to the body and soul These questions were as perplexing for the Elizabethans as they are for us today although their answers were often startlingly different Shakespeare and his contemporaries believed the mind was governed by the humours and passions and was susceptible to the Devil s interference In this insightful and wide ranging account Helen Hackett explores the intricacies of Elizabethan ideas about the mind This was a period of turbulence and transition as persistent medieval theories competed with revived classical ideas and emerging scientific developments Drawing on a wealth of sources Hackett sheds new light on works by Shakespeare Marlowe Sidney and Spenser demonstrating how ideas about the mind shaped new literary and theatrical forms Looking at their conflicted attitudes to imagination dreams and

melancholy Hackett examines how Elizabethans perceived the mind soul and self and how their ideas compare with our own

Calendar of Treasury Books ... Preserved in the Public Record Office Great Britain. Public Record Office,1923 *Global Reformations Sourcebook* Nicholas Terpstra,2021-06-24 This volume of primary sources brings together letters memoirs petitions tracts and stories related to religion and reform around the globe from the fifteenth through the eighteenth centuries The common subject of the sources is the Reformation and these texts demonstrate the themes and impacts of religious reform in Europe and around the globe Scholars once framed the Reformation as a sixteenth century European dispute between Protestant and Catholic churches and states but now look expansively at connections and entanglements between different confessions faiths time periods and geographical areas The Reformation coincided with Europeans expanding reach across the globe as traders settlers and colonists but the role that religion played in this drive has yet to be fully explored These readings highlight these reformers engagements with Judaism Islam Buddhism and indigenous spirituality and the entanglement of Christian reform with colonialism trade enslavement and racism Offering a sustained comparative and interdisciplinary exploration of religious transformations in the early modern world this collection of primary sources is invaluable to both undergraduate and postgraduate students working on theology the Reformation and early modern society Meteorological Disasters in Medieval Britain (AD 1000–1500) Peter J. Brown,2023-08-21 When high magnitude meteorological hazards impact vulnerable human populations disasters are the inevitable consequence Through archaeological and historical evidence this book investigates how these sudden and unpredictable events affected British medieval populations AD 1000 1500 Medieval society understood disasters in a practical sense and took steps to minimise risk by constructing flood defences and reinforcing structures damaged by storms At the same time natural hazards were widely interpreted through a framework of religious and superstitious beliefs and a wide variety of measures were followed to secure protection against the dangers of the natural world Disasters therefore were interpreted through a duality of understanding in which their occurrence could be the result of spiritual or superstitious triggers but practical solutions were a key component in mitigating their tangible impacts In evaluating this duality this book focuses on specific case studies and considers both their diverse historical contexts as well as their consequences for society against the backdrop of significant demographic and climatic change as a result of the Black Death and the transition to the Little Ice Age **New Medieval Literatures 20** Kellie Robertson,Wendy Scase,Laura Ashe,Philip Knox,2020-04-17 Cutting edge and fresh new outlooks on medieval literature emphasising the vibrancy of the field **The Pursuit of Pleasurable Work** Trevor H. J. Marchand,2021-11-01 Against the backdrop of an alienating technologizing and ever accelerating world of material production this book tells an intimate story one about a community of woodworkers training at an historic institution in London s East End during the present renaissance of craftsmanship The animated and scholarly accounts of learning achievement and challenges reveal the deep human desire to create with our hands the persistent longing to find meaningful

work and the struggle to realise dreams In its penetrating explorations of the nature of embodied skill the book champions greater appreciation for the dexterity ingenuity and intelligence that lie at the heart of craftwork **Calendar of Treasury Books ... Preserved in the Public Record Office** ,1923 First Impressions Joseph A. Skloot,2023-04-26 In 1538 a partnership of Jewish silk makers in the city of Bologna published a book entitled Sefer Hasidim a compendium of rituals stories and religious instruction that primarily originated in medieval Franco Germany This book tells the story of how these men came to produce such a book Literary Circles in Byzantine Iconoclasm Óscar Prieto Domínguez,2021-02-04 Iconoclasm was the name given to the stance of that portion of Eastern Christianity that rejected worshipping God through images eikones representing Christ the Virgin or the saints and was the official doctrine of the Byzantine Empire for most of the period between 726 and 843 It was a period marked by violent passions on either side This is the first comprehensive account of the extant contemporary texts relating to this phenomenon and their impact on society politics and identity By examining the literary circles emerging both during the time of persecution and immediately after the restoration of icons in 843 the volume casts new light on the striking reconstruction of Byzantine society whose iconophile identity was biasedly redefined by the political parties led by Theodoros Stoudites Gregorios Dekapolites and Empress Theodora or the patriarchs Methodios Ignatios and Photios It thereby offers an innovative paradigm for approaching Byzantine literature **Fresh Takes on the Big Questions** James Ferguson,2024-09-12 This book takes a fresh look at a wide range of life s big questions and provides a resource as readers search for answers individually or together in group discussion The goal is to explore how Christian faith relates to aspects of modern science the problems of suffering and evil and issues such as gender and sexuality war and peacemaking immigration artificial intelligence and life after death It also considers historical evidence for the resurrection of Jesus and the biblical promises of a time when God will restore and renew the world and all that lives within it **Jack London, Enhanced Ebook** Cecelia Tichi,2015-09-09 Jack London 1876 1916 found fame with his wolf dog tales and sagas of the frozen North but Cecelia Tichi challenges the long standing view of London as merely a mass market producer of potboilers A onetime child laborer London led a life of poverty in the Gilded Age before rising to worldwide acclaim for stories novels and essays designed to hasten the social economic and political advance of America In this major reinterpretation of London s career Tichi examines how the beloved writer leveraged his written words as a force for the future Tracing the arc of London s work from the late 1800s through the 1910s Tichi profiles the writer s allies and adversaries in the cities on the factory floor inside prison walls and in the farmlands Thoroughly exploring London s importance as an artist and as a political and public figure Tichi brings to life a man who merits recognition as one of America s foremost public intellectuals This enhanced e book edition of Jack London features significant archival motion picture footage Eight ebook enhancements take readers into the motion picture world of Jack London s 1900s to the very sights that impacted his bestselling writings Readers get front row seats to the terrifying San Francisco earthquake of 1906

to the Hawaiian beachfront where London first saw the Waikiki surf riders to ringside where prizefighters battled for championships These and other historic film footage clips make this an ebook for the twenty first century **St**

Peter-On-The-Wall Johanna Dale,2023-05-15 The Chapel of St Peter on the Wall built on the ruins of a Roman fort dates from the mid seventh century and is one of the oldest largely intact churches in England It stands in splendid isolation on the shoreline at the mouth of the Blackwater Estuary in Essex where the land meets and interpenetrates with the sea and the sky This book brings together contributors from across the arts humanities and social sciences to uncover the pre modern contexts and modern resonances of this medieval building and its landscape setting The impetus for this collection was the recently published designs for a new nuclear power station at Bradwell on Sea which if built would have a significant impact on the chapel and its landscape setting St Peter on the Wall highlights the multiple ways in which the chapel and landscape are historically and archaeologically significant while also drawing attention to the modern importance of Bradwell as a place of Christian worship of sanctuary and of cultural production In analysing the significance of the chapel and surrounding landscape over more than a thousand years this collection additionally contributes to wider debates about the relationship between space and place and particularly the interfaces between both medieval and modern cultures and also heritage and the natural environment **Citizen of London** Michael McCarthy,2022-09-29 The extraordinary story of Richard

Whittington from his arrival in London as a young boy to his death in 1423 against a backdrop of plague politics and war turbulence between Crown City and Commons and the unrelenting financial demands of Richard II Henry IV and Henry V to whom Whittington was mercer lender and fixer A man determined to follow his own path Whittington was a significant figure in London s ceaseless development As a banker Collector of the Wool Custom King s Council member and four time mayor Whittington featured prominently in the rise of the capital s merchant class and powerful livery companies Civic reformer enemy of corruption and author of an extraordinary social legacy he contributed to Henry V s victory at Agincourt and oversaw building works at Westminster Abbey In London Whittington found his second family a mentor Sir Ivo Fitzwarin and an inspirational wife in Fitzwarin s daughter Alice Today s Dick Whittington pantomimes enjoyed by millions have a grain of truth in them but the real story is far more compelling minus that sadly mythical cat The Statist ,1913
