London Overview: London just saying the name conjures up an array of iconic images: Big Ben, the London Bridge, Buckingham Palace, the London Underground, and more. The 2012 Summer Olympics represent the third time it has been selected for the Olympics, and with good reason: it seems everywhere you look in the nearly 2,000-year-old city, there is something new to see. Noted essayist and literary critic of the eighteenth century Dr Samuel Johnson had this to say about London: "Sir, if you wish to have a just notion of the magnitude of this city, you must not be satisfied with seeing its great streets and squares, but must survey the innumerable little lanes and courts. While this may not be everyone's opinion of this capital city, it certainly illustrates how much London has to offer both seasoned travelers and first-time visitors. Located in the southeast corner of Great Britain, Greater London covers an area of 1,579 square kilometers, but it is relatively easy to navigate via the Underground, also known as the tube. The city hosts a wide variety of things to see and do, including many kid-friendly and free options. To get an idea of the true London pop, into a corner pub or take in a football match, just don't be caught calling it soccer. Since you are in London, where the weather can change drastically in a moment, take an umbrella and jacket on every outing. Come to explore the past, revel in the present, and peek at the future, but be sure to mind the gap. London is a universal city, home to a vast array of people from various cultures, many of whom came

to avoid persecution elsewhere It is an intriguing blend of ancient history modern sensibilities and promise for the future Advances in art architecture science politics and religion all have root in London s history A trip to London can satisfy anyone regardless of age nationality or interest This city is the only place in the world where you can walk in the footsteps of a Roman emperor kings and queens famous authors and modern pop icons all before afternoon tea With an illustrious history rooted in the past and one hand always reaching for the future London keeps reinventing herself

A Guide to the Olympic Games and London 2012 Maurice Crow,Juliet Morris,2012-07-19 According to legend the ancient Olympic Games were founded by Heracles the Roman Hercules a son of Zeus The first Olympics were held in 776 BCE and continued to be played every four years for nearly 1200 years In 393 CE the Roman emperor Theodosius I a Christian abolished the Games because of their pagan influences Approximately 1500 years later a young Frenchmen named Pierre de Coubertin began their revival and the first modern day Olympics were held in Athens in 1896 The modern day Summer Olympics consist of approximately 10 500 competitors from 204 countries competing in more than 300 events This pocket guide provides a brief history of the Olympics from their origin until the present day including a guide to London 2012 The History of the Olympic Games is the perfect accessory to the London Olympics acting as a handy guide to Olympic venues events and achievements Also included are tables of previous winners making this the perfect gift for any Athletics fan

Fodor's London 2016 Fodor's Travel Publications, Inc.
