Constructing Cultural Tourism Keith Hanley,John K. Walton,2010-11-15 This book is an interdisciplinary collaboration between a literary critic and cultural historian which examines and recovers a radical and still urgent challenge to the industrialisation of cultural tourism from the work of John Ruskin Ruskin exerted a formative influence on the definition and development of cultural tourism which was probably as significant as that for example of his contemporary Thomas Cook The book assesses Ruskin s overall influence on the development of national and international tourism in the context of pre existing expectations about tourism flows and cultural capital and alongside parallel and intersecting trends of the time examines Ruskin s contribution to the tourist agenda at all social levels and discusses Ruskin s significance for current debates in tourism studies especially questions of the place of the canon of traditional European cultural tourism in a post modern tourist setting and the various incarnations of heritage tourism
