The Routledge International Handbook of Walking C. Michael Hall,Yael Ram,Noam Shoval,2017-07-28 Walking is an essentially human activity From a basic means of transport and opportunity for leisure through to being a religious act walking has served as a significant philosophical literary and historical subject Thoreau s 1851 lecture on Walking or the Romantic walks of the Wordsworths at Grasmere in the early 19th Century for example helped create a philosophical foundation for the importance of the act of walking as an act of engagement with nature Similarly and sometimes inseparable from secular appreciation pilgrimage trails provide opportunities for finding self and others in the travails of the walk More recently walking has been embraced as a means of encouraging greater health and well being community improvement and more sustainable means of travel Yet despite the significance of the subject of walking there is as yet no integrated treatment of the subject in the social science literature This handbook therefore brings together a number of the main themes on the study of walking from different disciplines and literatures into a single volume that can be accessed from across the social sciences It is divided into five main sections culture society and historical context social practices perceptions and behaviours hiking trails and pilgrimage routes health well being and psychology and method planning and design Each of these highlights current approaches and major themes in research on walking in a range of different environments This handbook carves out a unique niche in the study of walking The international and cross disciplinary nature of the contributions of the book are expected to be of interest to numerous academic fields in the social and health sciences as well as to urban and regional planners and those in charge of the management of outdoor recreation and tourism globally

The Best Things in Life are Free

Lonely Planet, 2016-08-01 Lonely Planet's The Best Things in Life are Free is packed full of money saving tips tricks and recommendations for the best value sights and experiences around the world From parks museums and exercise classes that are free to insider ideas on food and experiences offered at great value this book features over 60 major cities around the world and promises to help any traveller on a budget to make the most of their trip Includes parks and gardens street markets and food trucks viewing points museums and galleries free experiences spectator sports city beaches and much more For many free and cheap things are not only appealing but essential for stretching the funds to last as long as possible for an extended journey Yet even on a short trip many unforgettable blasts of freedom and discovery can happen on a thin budget You quickly realise that cheap can mean much much better No fancy Roman trattoria dinner can truly rival the bread and cheese picnic in Villa Celimontana a short walk from the Colosseum on a visit to the Eternal City Needless to say the monetary value implied in the term free can misrepresent what's on offer within these pages The quality of an experience after all is not always attached to a price tag such as the priceless experience of unearthing the world's secret wonders

whether that's swimming around Sydney's ocean pools or strolling the tombs and monuments of Delhi's Lodi Gardens. Additionally, it's an exaggeration to say that everything good is 100% free, so you'll find plenty of excellent value cheap things to experience throughout this book as well. Dip into your spare change for classy street food like a choripán chorizo sandwich in Buenos Aires, the best views of Hong Kong's skyline from the Star Ferry, and a Boston brewery tour. After using the tips in this book, you'll be left with great memories, a happier you, and a grateful wallet. Happy travels!
