

## Why I Love Thailand's Islands & Beaches

By Isabella Noble, Writer

It's oh-so-obvious why Thailand's islands and beaches have superstar travel status, but what I really adore about this region is how it caters so well to all kinds. Flashpad king or couple? Four strong family? All-night partygoer? Off-the-beaten-track adventure? Whatever your travel style, the glossy sands and heavenly waters of Thailand's islands and beaches have you covered. On every visit, I love exploring serene wats, admiring the Sino-Portuguese architecture of Phuket Town, eating my body weight in *khawpat* (veg-fried rice) and remembering that there's nothing like soft sand, tropical breezes and friendly smiles to soothe the soul.
