Department of the Army. Office of Military History, 1948 **United States Army in the World War, 1917-1919: pts. 1-2. United States Army in the World War, 1917-1919 , 1988 A seventeen volume compilation of selected AEF records gathered by Army historians during the interwar years This collection in no way represents an exhaustive record of the Army s months in France but it is certainly worthy of serious consideration and thoughtful review by students of military history and strategy and will serve as a useful jumping off point for any earnest scholarship on the war from Foreword by William A Stofft **The United States Army in the World War, 1917-1919** United States Historical Division (Army)., 1948 **A Sergeant's Diary in the World War** Elmer Frank Straub, 1923 *Anna's Shtetl* Lawrence A. Coben, 2011-01-25 A rare view of a childhood in a European ghetto Anna Spector was born in 1905 in Korsun a Ukrainian town on the Ros River eighty miles south of Kiev Held by Poland until 1768 and annexed by the Tsar in 1793 Korsun and its fluid ethnic population were characteristic of the Pale of Settlement in Eastern Europe comprised of Ukrainians Cossacks Jews and other groups living uneasily together in relationships punctuated by violence Anna s father left Korsun in 1912 to immigrate to America and Anna left in 1919 having lived through the Great War the Bolshevik Revolution and part of the ensuing civil war as well as several episodes of more or less organized pogroms deadly anti Jewish riots begun by various invading military detachments during the Russian Civil War and joined by some of Korsun s peasants In the early 1990s Anna met Lawrence A Coben a medical doctor seeking information about the shtetls to recapture a sense of his own heritage Anna had near perfect recall of her daily life as a girl and young woman in the last days in one of those historic but doomed communities Her rare account the product of some 300 interviews is valuable because most personal memoirs of ghetto life are written by men Also very often Christian neighbors appear in ghetto accounts as a stolid peasant mass assembled on market days as destructive mobs or as an arrogant and distant collection of government officials and nobility Anna s story is exceptionally rich in a sense of the Korsun Christians as friends neighbors and individuals Although the Jewish communities in Eastern Europe are now

virtually gone less than 100 years ago they counted a population of millions The firsthand records we have from that lost world are therefore important and this view from the underrecorded lives of women and the young is particularly welcome

Muckydonia, 1917-1919, Being the Adventures of a One-time Pioneer in Macedonia and Bulgaria During the First World War William D. Mather, 1979 **Lawrence of Arabia's Secret Dispatches During the Arab Revolt, 1915-1919** T.E. Lawrence, 2022-07-08

T E Lawrence's dispatches during the Arab Revolt have been published before but only in an edited and incomplete form as they were printed for a strictly limited wartime readership in the Arab Bulletin Now in this scholarly edition they are published in full for the first time They give us a direct inside view of his dealings with the Arab leaders and show us how he presented them to his superiors in Cairo These wartime writings reveal vividly his impressions of the periods he spent in the desert and the conditions he found there and they record how the Arab uprising developed and how he became increasingly involved in it They make fascinating reading for in his sometimes outspoken way he reported on the military potential of the Arab fighters and recommended how they should be supported in their struggle against the Ottoman empire This new collection of his dispatches is a valuable addition to the literature on Lawrence for it allows readers to trace the course of the revolt as he wrote about it at the time They are printed in chronological order with full explanatory notes The editor Fabrizio Bagatti provides a perceptive introduction which sets them in their wartime context fills in the military and political background to the strategic situation in the Middle East and describes Lawrence's important role as an intermediary between the Arabs and the British **Experiment Station Record** United States. Office of Experiment Stations, 1921

A City in Turmoil - Dublin 1919-1921 Padraig Yeates, 2012-09-21 Dublin was the cockpit of the Irish Revolution It was in the capital that D il ireann convened and built an alternative government to challenge the authority of Dublin Castle it was where the munitions strike that crippled the British war effort in 1920 began and it was where rival intelligence organisations played out their deadly game of cat and mouse But it was also a city where ambushes became a daily occurrence and ordinary civilians were caught in the deadly crossfire Restrictions on travel military curfews and the threat of internment would ultimately make normal life impossible As in his previous work *A City in Wartime* Padraig Yeates uncovers unknown and neglected aspects of the Irish Revolution including the role that the Bank of Ireland played in keeping the city solvent the rise of the Municipal Reform Association to challenge the hegemony of Sinn Féin and Labour how one of Ireland's leading businessmen started out as a bagman for Michael Collins and how ultimately many Dubliners found it easier to sympathise with the fight for the Republic than participate in or pay for it **New Brunswick, New Jersey, in the World War, 1917-1918**, 1921 *Atlantic Reporter*, 1919 **Struggling Russia**, 1919 **Report of the International Officers Brotherhood of Locomotive Firemen and Enginemen**, 1919 *The Motor Truck*, 1921 **Motor Truck**, 1921
