Long Walk To Freedom :

Long Walk to Freedom Nelson Mandela, 2008-03-11 Essential reading for anyone who wants to understand history and then go out and change it President Barack Obama Nelson Mandela was one of the great moral and political leaders of his time an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country After his triumphant release in 1990 from more than a quarter century of imprisonment Mandela was at the center of the most compelling and inspiring political drama in the world As president of the African National Congress and head of South Africa's anti-apartheid movement he was instrumental in moving the nation toward multiracial government and majority rule He is still revered everywhere as a vital force in the fight for human rights and racial equality *Long Walk to Freedom* is his moving and exhilarating autobiography destined to take its place among the finest memoirs of history's greatest figures Here for the first time Nelson Rolihlahla Mandela told the extraordinary story of his life an epic of struggle setback renewed hope and ultimate triumph The book that inspired the major motion picture *Mandela Long Walk to Freedom* *Long Walk to Freedom, 1962-1994* Nelson Mandela, 2003 The riveting memoirs of the outstanding moral and political leader of our time LONG WALK TO FREEDOM brilliantly recreates the drama of the experiences that helped shape Nelson Mandela's destiny From his imprisonment on Robben Island to his remarkable journey to freedom and inauguration as President this book describes Mandela's frustrations and strength of heart as well as the overwhelming joy of freedom and power Emotive and compelling it completes the story of an epic life Burns with the luminosity of faith in the invincible nature of human hope and dignity Unforgettable ANDRE BRINK Enthralling Mandela emulates the few great political leaders such as Lincoln and Gandhi who go beyond mere consensus and move out ahead of their followers to break new ground Donald Woods in the SUNDAY TIMES **The Long Walk to Freedom** Devon W. Carbado, 2012-08-21 In this groundbreaking compilation of first person accounts of the runaway slave phenomenon editors Devon W Carbado and Donald Weise have recovered twelve narratives spanning eight decades more than half of which have been long out of print Told in the voices of the runaway slaves themselves these narratives reveal the extraordinary and often innovative ways that these men and women sought freedom and demanded citizenship Also included is an essay by UCLA history professor Brenda Stevenson that contextualizes these narratives providing a brief yet comprehensive history of slavery as well as a look into the daily life of a slave Divided into four categories running away for family running inspired by religion running by any means necessary and running to be free these stories are a testament to the indelible spirit of these remarkable survivors The Long Walk to Freedom presents excerpts from the narratives of well known runaway slaves like Frederick Douglass and Harriet Jacobs as well as from the narratives of lesser known and virtually unknown people Several of these excerpts have not been published for more than a hundred years But they all portray the courageous and sometimes shocking ways that these men and women sought their freedom and asserted power often challenging many of the common

assumptions about slaves lack of agency Among the remarkable and inspiring stories is the tense but triumphant tale of Henry Box Brown who with a white abolitionist s help shipped himself in a box over a twenty seven hour train ride part of which he spent standing on his head to freedom in Philadelphia And there s the story of William and Ellen Craft who fled across thousands of miles with Ellen who was light skinned disguised as a white male slave owner so she and her husband could achieve their dream of raising their children as free people Gripping inspiring and captivating The Long Walk to Freedom is a remarkable collection that celebrates those who risked their lives in pursuit of basic human rights
