

A Long Way from Chicago Characters

Themes and Characters

A Long Way from Chicago is a coming-of-age novel. Joey Dowdel grows from a nine-year-old child who is intimidated by Grandma Dowdel to a young man of fifteen who has gained respect and love for his grandmother. As a young child he took Grandma at face value, but as the summers progressed, a more mature Joey grows in his understanding of human nature and insight in respect to Grandma Dowdel and who she really is.

The themes of truth, justice, and ethics—Grandma Dowdel-style—permeate each chapter. Although Grandma says she does not care about her neighbors, her actions speak otherwise as she rights wrongs using somewhat unorthodox methods.

A sense of family and place surfaces as a theme in the story as Joey, Mary Alice, and Grandma join together to work toward common goals. A sense of loyalty to each other develops. The children help Grandma Dowdel restore honor to Shotgun Chestnut, assure punishment for the mean-spirited Cowboys who terrorize elderly women living alone, rescue a young woman who is dominated and abused by her mother, and feed hungry men riding the rails looking for work because of the depression.

Another theme developed by Peck is learning to see beyond first impressions of people. Joey learns that Grandma Dowdel is really not the gruff, uncaring woman she would have him and the community believe she is. He and Mary Alice learn not to take people at face value. It is worthwhile to get to know someone, to really know that other person. Looking beneath the surface they gain insight and personal involvement in the lives of others. Joey and Mary Alice learn first hand the transformations that take place in their own lives and others when they are involved in good deeds that improve the lot of neighbors and strangers. They experience the deep satisfaction that results from treating others as you would have them treat you, offering respect, comfort, thanks, and a cold drink to the thirsty. Their humanity has increased.

At the beginning of *A Long Way from Chicago*, nine-year-old Joey Dowdel calls himself Joey, not Joe. Joey thinks of himself as somewhat sophisticated. After all he lives in Chicago, the city of Al Capone, cars, movie theaters, and modern conveniences. He is certain he will be bored at Grandma Dowdel's.

synthetic presentation At the same time a more flexible and dynamic ethic based on the Gospel values of love and freedom while it has undoubtedly deepened the Christian life of many has also caused not a little confusion in the minds of many There are endless discussions on burning issues like contraception and abortion which often do not end in any satisfactory conclusion because the general principles for ethical decision are not clear There is also a polarization between conservatives and progressives which leaves the neutral observer puzzled This book is written to clarify the basic issues in Christian ethics in an age of secularism and pluralism Although it can be taken as a treatise on General Moral Theology this book is addressed to a wider audience than students of theology It is meant to be a guide to Christian Living according to Vatican II It seeks to transcend the unfortunate dichotomy between moral and spiritual theology as the Council clearly wanted when it spoke of the subject of moral theology as the Christian vocation of the faithful and their obligation to bring forth fruit in charity for the life of the world While discussing the basic principles of Christian ethics the main preoccupation has been to discover an approach to moral decision that would safeguard all the moral values in a given situation The broad orientations for moral guidance today have been brought out in several places Special attention has been given to the question of moral absolutes as it is central to ethical discourse now The ecumenical spirit common preoccupations and a shared respect for the Word of God have brought Catholic and Protestant moral theology closer Hence an effort has been made to have a dialogue with the theologians of the Reformed tradition The strong influence of Protestant ethical writers on current Catholic moral theology has been brought out
