Long, Tall Texan Legacy Diana Palmer,2015-08-17 New York Times bestselling author Diana Palmer delivers two reader favorite tales of cowboys on the range THE FOUNDING FATHER Discover how legends were made when Jacobsville founding father Big John Jacobs weds the daughter of a prosperous railroad tycoon Will passion blaze when the fortune seeking Long Tall Texan brands his sweetly unassuming wife with his soul searing kisses JUSTIN Justin Ballenger was jilted by Shelby Jacobs privileged daughter of the Jacobsville fortune for a wealthy playboy After six resentful years Shelby returned penniless and alone It was Justin s turn to sneer but honor wouldn t allow it He was sure he could never trust her again but that old flame burned hotter than a three alarm brush fire and Shelby had a secret that only fanned the flames AB Bookman's Weekly ,1989 **Schwann Long Playing Record Catalog** ,1970-07 **Forthcoming Books** Rose Army,1996-06

Books in Print Supplement ,2002 Two Long, Tall Texans Diana Palmer,2005 Tall Texans of Dallas Collection Dallas Public Library. Texas/Dallas History and Archives Division,Bryan McKinney,Brian Collins,2007* The collection contains scrapbooks and other materials from 1955 1980 Stephen F. Austin Charles River Charles River Editors,2018-07-19 Includes pictures Includes contemporary accounts Includes online resources and a bibliography for further reading The independence of Texas is recognized Don t you see it in the papers Stephen F Austin s last words Texas has a unique history among the 50 states that comprise the United States of America and much of that is due to the nature of the men who brought about its independence Of them few are as famous or more important than Stephen F Austin Born in the very shadow of the Founding Fathers in Virginia Austin seemed destined from birth to do something special Certainly his father Moses saw potential in the boy training him up to take the lead in whatever situation he found himself in and various life experiences transformed Stephen Moses provided his son with plenty of the difficulties including bankruptcy business losses and family squabbles all by the time his son was 20 years old Ultimately Moses bequeathed his son the chance to become an empresario a 19th century leader of American pioneers in Texas Austin in turn shaped the future of Texas in a way that no other leader ever had the opportunity to do and by carefully choosing men like himself politically religiously and ethically he helped create an independent nation and future state known for its rugged individualism and self determination Unfortunately he also created a place where slavery America s great shame was allowed to flourish for more than 40 years and a place where people of color would struggle for generations to receive equality under the laws many of which he either wrote or inspired Ironically the man whose name is so synonymous with Texas was not involved in the most famous battles that secured its independence This actually ensured that he survived when so many of his contemporaries died but he still lost his run for the presidency of Texas and instead had to accept an appointment as the Republic s first Secretary of State Ultimately it made little difference in the end for he served only two months before he died of pneumonia just after his 43rd birthday but despite his premature death what cannot be questioned is how profound an impact Austin had on Texas Mexico

and the United States over the course of several decades Stephen F Austin The Life and Legacy of the Father of Texas looks at how he became one of the Southwest s most important figures Along with pictures of important people places and events you will learn about Austin like never before *100 Tall Texans* Lynwood Abram,Houston Chronicle,2000 **Tall Texans** Lee McGiffin,1956 **Ten Tall Texans** Daniel James Kubiak,1967
