## **Long Way Home Julian Miles:**

The Journey Home Zoe Salinger, 2023-10-10 In this multigenerational family saga a woman falls for a handsome French stranger only to discover their families share a tragic Holocaust history Dominique Rappaport New York heiress to her family's art world fortune wants more out of life than fancy society parties More than the man her parents want her to wed for the sake of the business merger their marriage would bring Still Dominique travels to Paris to spend time with Pierre only to find herself drawn to another man A struggling medical student Julian Adler wants nothing to do with Dominique After all Julian has his grandfather's legacy of heroism during the French Resistance to live up to He doesn't have time for the haughty beauty no matter how much she intrigues him Until chance brings them together once more and a mutual attraction draws them closer But when Dominique discovers the tragedy that binds their families together will their love be enough to rise above it

The Colony Sally Denton, 2022-06-28 A Publishers Weekly Summer Reads Selection The Colony is one of the most gripping and disturbing true stories I've ever come across Douglas Preston An investigation into the November 2019 killings of nine women and children in Northern Mexico an event that drew international attention The Colony examines the strange little understood world of a polygamist Mormon outpost On the morning of November 4 2019 an unassuming caravan of women and children was ambushed by masked gunmen on a desolate stretch of road in northern Mexico controlled by the Sinaloa drug cartel Firing semi automatic weapons the attackers killed nine people and gravely injured five more The victims were members of the LeBaron and La Mora communities fundamentalist Mormons whose forebears broke from the LDS Church and settled in Mexico when their religion outlawed polygamy in the late nineteenth century The massacre produced international headlines for weeks and prompted President Donald Trump to threaten to send in the US Army In The Colony bestselling investigative journalist Sally Denton picks up where the initial incomplete reporting on the attacks ended and delves into the complex story of the LeBaron clan Their homestead Colonia LeBaron is a portal into the past a place that offers a glimpse of life within a polygamous community on an arid and dangerous frontier in the mid 1800s though with smartphones and machine guns Rooting her narrative in written sources as well as interviews with anonymous women from LeBaron itself Denton unfolds an epic disturbing tale that spans the first polygamist emigrations to Mexico through the LeBarons internal blood feud in the 1970s started by Ervil LeBaron known as the Mormon Manson and up to the family's recent alliance with the NXIVM sex cult whose now imprisoned leader Keith Raniere may have based his practices on the society he witnessed in Colonia LeBaron The LeBarons tense but peaceful interactions with Sinaloa deteriorated in the years leading up to the ambush LeBaron patriarchs believed they were deliberately targeted by the cartel Others suspected that local farmers had carried out the attacks in response to the LeBarons seizure of water rights for their massive pecan orchards As Denton approaches answers to who committed the murders and why The Colony transforms into something more than a crime story A descendant of polygamist Mormons herself Denton explores what drove so many women over

generations to join or remain in a community based on male supremacy and female servitude Then and now these women of Zion found themselves in an isolated desert navigating the often mysterious complications of plural marriage and supported Denton shows only by one another A mesmerizing feat of investigative journalism The Colony doubles as an unforgettable account of sisterhood that can flourish in polygamist communities against the odds *Forgotten Voices Desert Victory* Imperial War Museum, Julian Thompson, 2011-05-12 Between Friday and Monday we never slept at all Everyone's face was one mass of sand The guns were so hot all the paint had gone Bombardier Ray Ellis Had the Allies lost in North Africa Rommel's Afrika Korps would have swept through the Middle East cutting the vital supply line through the Suez Canal to Australia and India and taking the oilfields of the Persian Gulf Britain would have been isolated without oil and unable to fight These historic battles of 1940-1943 were fought over vast distances on rugged terrain with supply lines often stretched to breaking point It was here that David Stirling formed the SAS to perform audacious sabotage missions and the Long Range Desert Group collected intelligence from behind enemy lines This is the story of the Allies' first victory against Hitler's army told in the voices of the men who were there which proved that the seemingly unstoppable Germans could be beaten **The Family** David Laskin, 2013-10-15 The author of *The Children's Blizzard* delivers an epic work of twentieth century history through the riveting story of one extraordinary Jewish family In tracing the roots of this family his own family Laskin captures the epic sweep of the twentieth century A modern day scribe Laskin honors the traditions the lives and the choices of his ancestors revolutionaries and entrepreneurs scholars and farmers tycoons and truck drivers *The Family* is a deeply personal dramatic and emotional account of people caught in a cataclysmic time in world history A century and a half ago a Torah scribe and his wife raised six children in a yeshivatown at the western fringe of the Russian empire Bound by their customs and ancient faith the pious couple expected their sons and daughter to carry family traditions into future generations But the social and political crises of our time decreed otherwise The torrent of history took the scribe's family down three very different roads One branch immigrated to America and founded the fabulously successful Maidenform Bra Company another went to Palestine as pioneers and participated in the contentious birth of the state of Israel the third branch remained in Europe and suffered the onslaught of the Nazi occupation With cinematic power and beauty bestselling author David Laskin brings to life the upheavals of the twentieth century through the story of one family three continents two world wars and the rise and fall of nations **Long Way Down** Ewan McGregor, Charley Boorman, 2008-07-15 Eighteen countries Five shock absorbers Two bikers One amazing adventure After their fantastic trip round the world in 2004 fellow actors and bike fanatics Ewan McGregor and Charley Boorman couldn't shake the travel bug Inspired by their UNICEF visits to Africa they knew they had to go back and experience this extraordinary continent in more depth And so they set off on their 15 000 mile journey with two new BMWs loaded up for the trip Their route took them from John O Groats at the northernmost tip of Scotland to Cape Agulhas on the southernmost tip of South Africa Along the way they rode some of the toughest terrain in

the world and met some of the friendliest people They rode their bikes right up to the pyramids in Egypt and visited Luke Skywalker's house in Tunisia They met people who had triumphed over terrifying experiences former childhood soldiers in Uganda and children living amidst the minefields of Ethiopia They had a close encounter with a family of gorillas in Rwanda and were nearly trampled by a herd of elephants in Botswana Riding through spectacular scenery often in extreme temperatures Ewan and Charley faced their hardest challenges yet With their trademark humor and honesty they tell their story the drama the dangers and sheer exhilaration of riding together again through a continent filled with magic and wonder

The Strange Haunting of Johnny Feelwater Martin Brant, 2008 At odds with his sexuality in college all of that changes the day Johnny Feelwater meets Marilee They wed buy a home and he begins a career in commercial art Life is normal for nine years until the day comes his ancestral heritage catches up with him Suddenly the phantoms from the past are once again awakened The catalyst Cassandra Mott his grandmother's lover who had returned to a new life in Savannah bent on revenge she blames Johnny for her lover's premature death Drawn into a supernatural world of conniving and debauchery Johnny finds himself reintroduced to his own misguided genes his life is systematically dismantled When he seeks help to free himself from Cassandra's spell Johnny travels to Africa where he meets up with a man who changes his life Set in historic Savannah Georgia The Strange Haunting of Johnny Feelwater is an engaging tale of male emotions and sexuality which will intrigue those of any gender or sexual persuasion

**OVER THE EDGE** J.R. Hunter, 2013-12 When Julian Thomas arrived home that night as usual his wife Chris was depressed and in a drunken fog To avoid her rage and rejection he stayed away reclining on the couch watching the Johnny Carson Show He was contemplating the life between him and his wife if only for my own sanity I have to tell her if not tonight tomorrow morning for sure Minutes later he heard her say something from the bedroom It sounded like maybe goodbye Then came the sound of a single gunshot it broke the silence like a clap of thunder

**OVER THE EDGE** is the suspenseful account of the true story of a Susan Hayward lookalike living during the tumult of California in the 1960s 1970s a beautiful intelligent but troubled woman who shot herself and her husband who tried in vain to help her

**The Desert Contract** John Lathrop, 2008-09-09 Late at night on the eleventh floor balcony of a deserted building on the Persian Gulf American businessman Steve Kemp finds himself falling back in love with Helen the Irishwoman he'd left more than a decade before as bombs explode below Kemp returned to the Eastern Province of Saudi Arabia as a last attempt to find success Fired from his job in L A and divorced from his wife he hoped to salvage his finances in a peaceful part of the Middle East But he arrived to find a country on the verge of a political meltdown where an explosive mix of resentment revolt and jihadists threatened the regime And he found his old flame Helen who was now married to a diplomat at the end of his career The overextended military props up the crumbling monarchy buying a little time time Kemp and Helen use to rekindle their affair As the country plunges into violent political crisis Kemp focuses on financing his escape with Helen All he needs is one last big sale their contract out The country enters its final descent when Kemp's sale at last

appears The deal will be complete once Kemp visits a correspondent bank It is standard procedure But suddenly the picture darkens The bank is on the wrong side of an obscure island Helen and even her husband may have had a hand in the sale And the terms may be more ambiguous and more dangerous than Kemp had thought Written with compassion and a true understanding of the current politics and business world of the Middle East The Desert Contract paints a dead on portrait of Saudi Arabia s near future and at the same time deftly examines what happens when passion commitment and loyalties collide

**Another New York Murder** Chris Shepherdson,1901 Reporter Julian Jones of The New York Player is a legend He has seen to that But times are tough and when even he can t get his editor to run his latest story he takes matters into his own hands and comes up with a story nobody can resist He is soon the toast of the town again but matters take a turn for the worse when his influence becomes even more far reaching than he could have imagined Playmates of the Towpath
