Look Down Les Miserables Sheet Music:

Boublil and Schönberg's Les Misérables Sarah Whitfield,2018-07-17 One more dawn One more day One day more Did Les Mis rables make you miserable Or did it inspire you When Sarah Whitfield was a teenager her Dad frequently embarrassed her with his love of this musical above all others So after he was diagnosed with late stage cancer Whitfield set out to find out why this musical meant so much to him and to its worldwide following In this new book she asked her Dad and 350 other people how they felt about this musical exploring people s personal connections with the show In the middle of some of the hardest moments in family life Whitfield explores how the musical might help us deal with some of our most difficult experiences and give us hope for when tomorrow comes

Music Theory Through Musical Theatre John Charles Franceschina, 2015 Music Theory through Musical Theatre takes a new and powerful approach to music theory Written specifically for students in music theatre programs it offers music theory by way of musical theatre Not a traditional music theory text Music Theory through Musical Theatre tackles the theoretical foundations of musical theatre and musical theatre literature with an emphasis on what students will need to master in preparation for a professional career as a performer Veteran music theatre musician John Franceschina brings his years of experience to bear in a book that offers musical theatre educators an important tool in equipping students with what is perhaps the most important element of being a performer the ability to understand the language of music in the larger dramatic context to which it contributes The book uses examples exclusively from music theater repertoire drawing from well

known and more obscure shows and songs Musical sight reading is consistently at the forefront of the lessons teaching students to internalize notated music quickly and accurately a particularly necessary skill in a world where songs can be added between performances Franceschina consistently links the concepts of music theory and vocal coaching showing students how identifying the musical structure of and gestures within a piece leads to better use of their time with vocal coaches and ultimately enables better dramatic choices Combining formal theory with practical exercises Music Theory through Musical Theatre will be a lifelong resource for students in musical theatre courses dog eared and shelved beside other professional resource volumes
