Lord Of The Blade Legacy Of The Blade 1:

Young Lord of Khadora (Forgotten Legacy #1) Richard S. Tuttle, 2001-07-07 Ages ago the continent was invaded by massive armies intent on creating a new home for themselves. The peaceful indigenous peoples fled before the marauding hordes and hid defiantly in the mountain peaks awaiting a signal from god. They learned the arts of magic and warfare as they hid from the intruders who divided the land amongst themselves and set up a civilization where the many toil and slave for the elite few. The *Forgotten Legacy* series begins with *Young Lord of Khadora* as Marak, a young soldier in the service of one of the clans of Khadora, is chosen as a sacrifice for the benefit of his lord. Marak is sent on a fool's mission to defeat one of the small bands of indigenous people known as the Chula, a race of dreaded cat people. Marak, however, is not your normal clan soldier. His mother is a mage slave to the clan lord, and his father is unknown, presumed dead. What makes Marak different, though, is his abhorrence for Khadoran culture, a society that feeds on the helpless and victimizes all but the most wealthy and powerful. Refusing to accept his given role in life, Marak sets out to change the very fabric of society. The young soldier has a brilliant military mind and warrior skills that so far have not been bested, but his real weapons are the resources that Khadoran society discards. In Khadora, mages are typically slaves who tend the fields, often thought of as little more than farm implements. The average Khadoran soldier is taught to follow orders and not think. The workers on the clan estates are treated barely better than the slaves. Marak intends to use a secret weapon to not only accomplish the futile mission he is sent on but to start a reform of the entire society. His weapon is compassion, and it is an emotion that has long been dead in Khadora. It is a fine edge that Marak must walk to stay alive. While not knowing how a populace will react to his endeavors, Marak has little doubt what the reactions of the clan lords will be. Marak will have to defend himself against rival clan lords, fearful of his efforts, the dreaded cat people who hate all Khadorans, and even his own clan to whom he owes his very life and allegiance.

Girl Lost (The King Legacy Book #1) Kate Angelo, 2025-09-23 Luna Rosati found acceptance and a family during childhood, but when she became pregnant at seventeen, she gave the baby up for adoption and left without a word. Now a CIA counterintelligence officer, Luna wants to reconcile her fractured sense of self by finding the only blood family she has left: the teenage daughter she's never met. Her mentor, Stryker, promises to reveal her daughter's identity, but first Luna must meet him in the old neighborhood, the last place she wants to be. Then Stryker is captured. Special Agent Corbin King changed his surname to escape the shadow of his convicted father serving a life sentence. When he runs into Luna, the object of his failed teenage romance, the two must put their pasts aside and work together toward a greater mission. But when they encounter a kidnapping, missing bodies, and murder, the secrets Corbin and Luna are keeping from one another are only the beginning of the threat they face with more than their own lives at stake.

urban civilization It is no new phenomenon For over four millennia the powers of urban civilization have been playing God oppressing people and exploiting the earth This long history has brought us to the brink of disaster in the current economic ecological and energy crises confronting the dominant global culture This book reads the Bible through the lenses of rural communities The Bible has something to say about the origin and character of urban civilization and the dynamic of its relationship to rural communities Both Israel in the Old Testament and Jesus in the New Testament were engaged in the formation of rural communities of faith living as alternatives to the dominant cultures of the urban civilizations in which they lived It turns out that local face to face communities both rural and urban along with traditional cultures of all stripes are God s chosen instruments for the subversive nonviolent disarming of urban civilization and the healing of God s earth
