**Topics in the Book of Revelation** William R. Horsley, 2017-03-06 Topics in the Book of Revelation by William R. Horsley What is the Book of Revelation Is it a prophecy foretelling the end of the world Is it a vision of the apocalypse If Hollywood and a certain subset of preachers are to be believed John s final message to Christians is one only of doom and destruction But what if the real message was one of hope What if Revelation was less foresight and more history How would you look at the final book of the Bible if you could read it and feel overjoyed rather than frightened In Topics in the Book of Revelation William R. Horsley presents definitive arguments for a reinterpretation of John s writings Rather than a warning meant to resound throughout history Horsley shows that John was writing primarily to the early church and its people using language and symbols that would have been familiar to them Revelation carries a message of hope to all Christians Horsley sees lessons to Christians to be encouraged faithful and victorious to the end The way is right and worthy is the Lamb
