Lord Jim Unwin Critical Library:

Lord Jim Allan Simmons, John Henry Stape, 2000 *Lord Jim Centennial Essays* features eight essays by major Conrad scholars to celebrate the centenary of the publication of what is possibly Joseph Conrad's best known novel. This carefully edited volume covers a wide range of topics and includes new work on the novel's reception and sources, narrative strategies and thematic interests. Various contemporary critical approaches, Bakhtinian, postcolonial and historicist, are aired and reconsidered and a generous selection of documents relating to the Jeddah affair of 1880 sheds light on Conrad's use of real life materials. The kaleidoscopic perspectives brought to bear on this landmark of literary Modernism will stimulate and challenge both scholars and students alike. *Lord Jim* John Batchelor, 2019-10-02. Published in 1900, Conrad's *Lord Jim* can in many ways be seen as the first modern novel. This important full study of the book, originally published in 1988, emphasizes the outstanding historical and artistic significance of Conrad's masterpiece. John Batchelor pursues the ways in which Conrad dramatizes with unprecedented fidelity a relationship between friends and also explores what for Conrad is clearly a central truth about the human condition: namely, the inalienable loneliness of man. The book provides a full discussion of the biographical and literary contexts of the novel, making use of the original manuscript and tracing the literary influences and sources of Conrad's writing. It also considers the novel's technical innovations, including Conrad's impressionism and its method of dramatization. Further chapters are devoted to a detailed commentary on the text and the book concludes with a study of the novel's critical reception since its first publication. This volume will be essential reading for all students of literature and particularly for those with an interest in Conrad's place in the development of modern fiction. **The Conradian**, 2000 **L'Epoque conradianne**, 1992 Lord Jim Joseph Conrad, 2002. First published in 1900, *Lord Jim* established Conrad as one of the great storytellers of the twentieth century. Set in the Malay Archipelago, the novel not only provides a gripping account of maritime adventure and romance but also an exotic tale of the East. Its themes also challenge the conventions of nineteenth-century adventure fiction, confirming Conrad's place in literature as one of the first modernists of English letters. The Writer's Directory, 1998-2000. Miranda H. Ferrara, 1995. Information on more than 17,500 living authors from English-speaking countries. **Contemporary Authors New Revision Series** Pamela Dear, 2001-07. These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up-to-date and completely replace the original Contemporary Authors entries. Call your Sales Rep for details. *Problèmes des genres littéraires*, 1992 *The Writers Directory*, 1996 **Isolation and Ethos** Wiesław Krajka, 1992. Using the East European structural tradition, this study provides an overall view of Conrad's oeuvre and its position in history and culture. Krajka

argues that Conrad's vision of loneliness, colonization and personal struggles of duty became a crucial component of 20th century cultural consciousness forming a foundation of existentialism and creating a whole tradition of literature of solitude and its ethical consequences

Conrad's Fiction as Critical Discourse Richard Ambrosini, 1991-07-26 Joseph Conrad's comments about his works have commonly been dismissed as theoretically unsophisticated while the critical notions of James Woolf and Joyce have come to shape our understanding of the modern novel. Richard Ambrosini's study of Conrad's Fiction as Critical Discourse makes an original claim for the importance of his theoretical ideas as they are formed, tested and eventually redefined in *Heart of Darkness* and *Lord Jim*. Setting the narrator's discourse in these tales in the context of the dynamic interplay of Conrad's fictional with his non-fictional writings and of the transformations in his narrative forms, Ambrosini defines Conrad's view of fiction and the artistic ideal underlying his commitment as a writer in a new and challenging way. Conrad's innovative techniques as a novelist are shown in the continuity of his theoretical enterprise from the early search for an artistic prose and a personal novel form to the later dislocations of perspective achieved by manipulation of conventions drawn from popular fiction. This reassessment of Conrad's critical thought offers a new perspective on the transition from the Victorian novel to contemporary fiction.
