Lords Of The Night Bw:

The conduct of Lord Paul Great Britain: Parliament: House of Lords: Committee for Privileges and Conduct,2010-10-18
The focus of this report is Lord Paul's use of the Members Reimbursement Scheme from late 2005 onwards. The Sub-committee on Lords Conduct considered whether in this period Lord Paul had correctly designated two successive properties in Oxfordshire and Buckinghamshire as his main residence and made claims for overnight subsistence and travel in relation to them. Lord Paul has acknowledged that he wrongly designated the Oxfordshire property as his main residence, has apologised and repaid a sum of money. Lord Paul maintained that he acted in good faith in making the designation and claims, but the Sub-committee disagreed. Lord Paul appealed to the full Committee on this point. The Committee, while not finding actions that were dishonest or in bad faith, conclude that designation of the Oxfordshire property was a deliberate misrepresentation of his domestic arrangements, his actions were unreasonable and demonstrated gross irresponsibility and negligence. The Committee recommends that Lord Paul be suspended from the service of the House for four months.

Lords of the Night Bw Alex Clatworthy, Jade Ripley, Michael Sayre, 2015-09-09. Adventurers fight vampires either as dime a dozen villains or masterminds at the center of sinister plots. But what is it like to be a vampire in a fantasy world to move through a world where your prey can be as dangerous and cunning as you and lurks in the shadows which you call home. Transform your campaign with this supplement compatible with Pathfinder RPG and explore what it means to be a vampire to struggle for survival, secrecy and power in a world that would destroy you if it knew you. Expand on existing campaigns with new content that brings out undead themes in even living characters as well. Lords of the Night is an 80 page book that includes Expanded worldbuilding on the nature of vampires, how they fit into settings and how they interact with the living. A new vampire template designed for easy use by players and GMs alike. Advice and systems for running a vampiric campaign. The Alerts system which tracks a settlement's reaction to a hidden threat from within. New archetypes for Barbarian and Paladin that express how undead pursue these paths through eternity. Four new prestige classes that enhance the power of undeath, including the enigmatic sussurratore and the terrifying black templar. New feats for players looking to enhance or express themes of undeath and secrecy. New spells, power and maneuvers with necromantic and vampiric themes. Sample NPCs to speed the process of creating and maintaining a setting's population. A sample vampiric society, the Leatherworker's Guild, that can be inserted into a living city in your campaign world. **James Ussher and John Bramhall** Jack Cunningham, 2007. This book provides a comparative study of the theologies and politics of two leading seventeenth century ecclesiastics, James Ussher (1581-1656) and John Bramhall (1594-1663).
