sparkled like stars at dusk She would teach Barbie about the night sky by telling her stories about constellations and the music that the stars played Nimbus a sneaky cloud fairy who can change shape at will came next Nimbus could change into a dolphin to explore the depths of the dream seas or a kite to take Barbie high above the clouds Barbie and Nimbus would go on exciting adventures together She made new friends every night and each one was more creative than the last She laughed with kind giants whose hearts were as big as the sky danced with fire sprites whose bright flames lit up the night sky and talked with wise old owls who taught her ancient secrets [Inside the Secret Life of Fairies](#) Maggie Hamilton,2019-08-20
