Clifford Lane

Magister Peter Abelard 1079-1141 De Rampspoed Van Een Gedreven Schoolmeester:

The Three Rings Barbara Roggema, Marcel Poorthuis, Pim Valkenberg, 2005 In history Judaism Christianity and Islam have been both partners and rivals The well known parable of the three rings argues in a beautiful paradox how the religion most beloved by the other two will turn out to be in possession of the true ring This book collects a number of texts in which not just bilateral religious dialogues but the relations between one's own religion and the two others are documented The texts translated and studied here date from the medieval period both from the East and from the West It brings together in one volume esteemed writers such as the Jews Judah Halevi Abraham Ibn Daud Moses Maimonides and Ibn Kammuna the Christians John of Damascus Paul of Antioch Peter Abelard Thomas Aquinas and Nicholas of Cusa and the Muslims Abd al Jabbar Al Ghazali Ibn Qayyim al Jawziyya and Nur al Din al Raniri The shared knowledge of different religious traditions as testified to in some of these texts may come as a surprise Basic patterns of mutual understanding pluralism tolerance and dialogue still relevant today are drafted
