Teachings of Presidents of the Church: Brigham Young The Church of Jesus Christ of Latter-day Saints, The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness Though more than a century has now passed his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God President Young declared that as members of The Church of Jesus Christ of Latter day Saints we possess the doctrine of life and salvation for all the honest in heart DBY 7 He promised that those who receive the gospel in their hearts will have awakened within them a desire to know and understand the things of God more than they ever did before in their lives and will begin to inquire read and search and when they go to their Father in the name of Jesus he will not leave them without a witness DBY 450 This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God It will inspire and motivate individuals priesthood quorums and Relief Society classes to inquire read search and then go to their Father in Heaven for a witness of the truth of these teachings Each chapter contains two sections Teachings of Brigham Young and Suggestions for Study The

first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the Lion of the Lord. HC 7:434, the prophet, seer, and revelator, President Brigham Young. Encyclopedia of Mormonism: The history, scripture, doctrine, and procedure of the Church of Jesus Christ of Latter-day Saints, Daniel H.

Ludlow, 1992. **Our Divine Identity** Joshua Savage, 2023-04-17. Everything starts with identity. Our identity affects what we see, value, believe, and act upon. And no identity is more fundamental than we are children of God. Romans 8:16. But what we often fail to understand is that our heavenly heritage is both a fact and a choice. The challenges of the modern world make devoting our whole selves to following the Lord and His servants increasingly difficult. Too often we fail to examine the forces influencing our thoughts, so we confine ourselves to beliefs and positions that are contrary to the commandments of God. Advancing beyond the perimeter of our mental fences requires a new way of thinking and acting. In *Our Divine Identity*, author Joshua Savage reaches out to those who struggle to make sense of current events and the Lord's commandments and offers tools to navigate obstacles with clarity and reason. As you explore the influences that shape who you are and what you believe, you will learn how to prioritize your divine identity as a child of God and see things as they really are, and really will be. Discover how to identify the many facets of identity that govern your thoughts and actions; use the nine tools of knowing to process and evaluate new and old information; find the patience and faith to keep moving forward, even with limited knowledge. Embracing your divine identity is an ongoing process of self-discovery and truth-seeking. With the tools in this book, make informed steps to unlock your eternal potential as a child of God. The Latter-Day Saints' Millennial Star, 1847.
