Maguey Journey Kathryn Rousso,2010-12-15 The name maguey refers to various forms of the agave and furcraea genus also sometimes called the century plant The fibers extracted from the leaves of these plants are spun into fine cordage and worked with a variety of tools and techniques to create textiles from net bags and hammocks to equestrian gear In this fascinating book Kathryn Rousso an accomplished textile artist takes a detailed look at the state of maguey culture use and trade in Guatemala She has spent years traveling in Guatemala highlighting maguey workers interactions in many locations and blending historical and current facts to describe their environments Along the way Rousso has learned the process of turning a raw leaf into beautiful and useful textile products and how globalization and modernization are transforming the maguey trade in Guatemala Featuring a section of full color illustrations that follow the process from plant to weaving to product *Maguey Journey* presents the story of this fiber over recent decades through the travels of an impassioned artist Useful to cultural anthropologists ethnobotanists fiber artists and interested travelers alike this book offers a snapshot of how the industry stands now and seeks to honor those who keep the art alive in Guatemala *Maguey Journey* Kathryn Rousso,2010-12-15 The name maguey refers to various forms of the agave and furcraea genus also sometimes called the century plant The fibers extracted from the leaves of these plants are spun into fine cordage and worked with a variety of tools and techniques to create textiles from net bags and hammocks to equestrian gear In this fascinating book Kathryn Rousso an accomplished textile artist takes a detailed look at the state of maguey culture use and trade in Guatemala She has spent years traveling in Guatemala highlighting maguey workers interactions in many locations and blending historical and current facts to describe their environments Along the way Rousso has learned the process of turning a raw leaf into beautiful and useful textile products and how globalization and modernization are transforming the maguey trade in Guatemala Featuring a section of full color illustrations that follow the process from plant to weaving to product *Maguey Journey* presents the story of this fiber over recent decades through the travels of an impassioned artist Useful to cultural anthropologists ethnobotanists fiber artists and interested travelers alike this book offers a snapshot of how the industry stands now and seeks to honor those who keep the art alive in Guatemala **A Textile Traveler's Guide to Guatemala** Deborah Chandler,2019-04-05 The vibrant character of Guatemala is most visible in its handwoven textiles which are still in everyday use and readily available in native markets all over the country *A Textile Traveler's Guide to Guatemala* is an excellent resource for discovering artisans markets shops and those storied regional textile traditions Geared to independent minded travelers this guide presents the safest and most accessible methods of travel where and when to go where to stay and what to eat Expert advice helps the traveler know what to look for how to distinguish high quality work and how to bargain intelligently and ethically With abundant photographs this guide celebrates the color joy and energy of folklife in Guatemala Traditional Weavers of Guatemala Deborah Chandler,Teresa Córdón,Joe Coca,2015-09-01 Against the

backdrop of Guatemala this book presents portraits of artisans working in the ancient traditions of the Maya paired with insights into the creation of the textiles and the events that have affected their work Weaving spinning and basket making have sustained the Maya economically and culturally against the pressures of change and a 36 year civil war that decimated their population Their persistence in continuing traditional art has created some of the loveliest most colorful textiles the world has ever known Artisans share their personal histories hopes and dreams along with the products of their hands and looms Their stories show determination in the face of unimaginable loss and hardship which instill an appreciation for the textiles themselves and for the strong people who create them

Writing the Land, Writing Humanity Charles M. Pigott, 2020-03-12 The Maya Literary Renaissance is a growing yet little known literary phenomenon that can redefine our understanding of literature universally By analyzing eight representative texts of this new and vibrant literary movement the book argues that the texts present literature as a trans species phenomenon that is not reducible only to human creativity Based on detailed textual analysis of the literature in both Maya and Spanish as well as first hand conversations with the writers themselves the book develops the first conceptual map of how literature constantly emerges from wider creative patterns in nature This process defined as literary inhabitation is explained by synthesizing core Maya cultural concepts with diverse philosophical literary anthropological and biological theories In the context of the Yucatan Peninsula where the texts come from literary inhabitation is presented as an integral part of bioregional becoming the evolution of the Peninsula as a constantly unfolding dialogue
