nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon s work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon s compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon s pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works *The Cambridge Companion to World Crime Fiction* Jesper Gulddal, Stewart King, Alistair Rolls, 2022-04-21 Accessible yet comprehensive this first systematic account of crime fiction across the globe offers a deep and thoroughly nuanced understanding of the genre s transnational history Offering a lucid account of the major theoretical issues and comparative perspectives that constitute world crime fiction this book introduces readers to the international crime fiction publishing industry the translation and circulation of crime fiction international crime fiction collections the role of women in world crime fiction and regional forms of crime fiction It also illuminates the past and present of crime fiction in various supranational regions across the world including East and South Asia the Arab World Sub Saharan Africa Europe and Scandinavia as well as three spheres defined by a shared language namely the Francophone Lusophone and Hispanic worlds Thoroughly researched and broad in scope this book is as valuable for general readers as for undergraduate and postgraduate students of popular fiction and world literature

Mysteries and Conspiracies Luc Boltanski, 2014-10-10 The detective story focused on inquiries and in its wake the spy novel built around conspiracies developed as genres in the late nineteenth and early twentieth centuries During the same period psychiatry was inventing paranoia sociology was devising new forms of causality to explain the social lives of individuals and groups and political science was shifting the problematics of paranoia from the psychic to the social realm and seeking to explain historical events in terms of conspiracy theories In each instance social reality was cast into doubt We owe the project of organizing and unifying this reality for a particular population and territory to the nation state as it took shape at the end of the nineteenth century Thus the figure of conspiracy became the focal point for suspicions concerning the exercise of power Where does power really lie and who actually holds it The national authorities that are presumed to be responsible for it or other agencies acting in the shadows bankers anarchists secret societies the ruling class Questions of this kind provided the scaffolding for political ontologies that banked on a doubly distributed reality an official but superficial reality and its opposite a deeper hidden threatening reality that was unofficial but much more real Crime fiction and spy fiction paranoia and sociology more or less concomitant inventions had in common a new way of problematizing reality and of working through the contradictions inherent in it The adventures of the conflict between these two realities superficial versus real provide the framework for this highly original

book Through an exploration of the work of the great masters of detective stories and spy novels G K Chesterton Arthur Conan Doyle John Le Carr and Graham Greene among others Boltanski shows that these works of fiction and imagination tell us something fundamental about the nature of modern societies and the modern state **The Crimes of Marguerite**

Duras Anne Branczyk, 2020-07-09 This book studies Marguerite Duras's use of mass media and criminal faits divers as critical components of her literary project The Women Who Ran Away Sheila O'Flanagan, 2020-07-16

LOSE YOURSELF THIS SUMMER IN THE NUMBER ONE BESTSELLER One of my favourite authors MARIAN KEYES Deira isn't the kind of woman to steal a car Or drive to France alone with no plan But then Deira didn't expect to be single Or to suddenly realise that the only way she can get the one thing she wants most is to start breaking every rule she lives by Grace has been sent on a journey by her late husband Ken She doesn't really want to be on it but she's following his instructions as always She can only hope that the trip will help her to forgive him And then finally she'll be able to let him go Brought together by unexpected circumstances Grace and Deira find that it's easier to share secrets with a stranger especially in the shimmering sunny countryside of Spain and France But they soon find that there's no escaping the truth whether you're running away from it or racing towards it **LOSE YOURSELF THIS SUMMER IN THE NUMBER ONE BESTSELLER** Praise for Sheila O'Flanagan's irresistible novels Brilliantly written and with plot twists popping out like Prosecco corks *Woman and Home* An exciting love story with a deliciously romantic denouement Sunday Express A feel good story told by a funny and down to earth heroine *Woman's Weekly* If you're seeking an escape of your own this sunny evocative story is the perfect place to hide away S Magazine A NO 1 IRISH BESTSELLER JULY 2020 A SUNDAY TIMES BESTSELLER MARCH 2021 *Paris: A Short History (A Short History)* Jeremy Black, 2024-05-14
