Mail Order Kid An Orphan Train Riders Story:

Mail-order Kid Marilyn Coffey, 2010 Describes the orphan train movement through the eyes of one small child who yearns to know her real mother survives a tortured childhood when she encountered whippings and sexual abuse and ultimately as an adult comes to terms with her past her faith and herself **Adoption Stories** , You ve probably heard numerous positive happily ever after adoption stories but did you know there are people deprived of God given inherent and natural human rights These individuals live an entire lifetime of never being given access to the truth or their origin like access to their biological families nor are they given legal access to their ancestry due to the laws spearheaded and reformed by what has become a 20 billion dollar Adoption and Child Welfare industry Instead religious authorities want overseas adoptees to curtsy and smile for the camera and be grateful or else they accuse us of being angry or unable to bond But how many thank yous do they want This mini book has been compiled to support the current adoptee rights movement

Adoption: What You Should Know Janine Myung Ja, Has the global man made market for children exploited mothers fathers families and communities Gain a bird s eye view of the hidden side of the practice here Most of us have heard the positive side of international adoption in the United States Clips of children being sent into the arms of loving Americans can be found all over the internet But did you know that in other parts of the world the indigenous and less fortunate communities view overseas adoption as a violation against their natural inherent and God given rights to family and community How would you like to be given a new identity to live by and then removed from your sisters and brothers never legally permitted to contact them again even upon your deathbed Adoption laws consist of many governmental and religious red tape adoptees are forced to contend even into their elder years with because of the fierce advertising campaigning of adoption agencies to convince the public to fall in love with their activities This research book has been divided into four short easy to read sections revealing the making of the current child welfare system throughout time starting in Europe referred to as the European Child Migration Schemes then spreading to America known as the Orphan Train Movement into Asia called the Evangelical Baby Swoop Era to what s trending today Africa The pioneers who built and profited from the industry continue to deny adoptees access to documents that could lead them back to their families This book protects you against adoption profiteers and traffickers who profess God is on their side It summarizes the inception and expansion of the adoption industry focusing on its roots and consequences kept from public awareness Discover the history of adoption from another angle a view adoption agencies will never tell you The findings have been called mind blowing Inspired by a Haitian adoptee who died of heart failure after learning that he had been trafficked to France for overseas adoption but was never able to acquire justice due to the public s love affair with the practice The author co founded Adoption Truth Transparency Worldwide Information Network ATTWIN an adoptee led forum entirely rooted in equal rights for adoptees ATTWIN refuses to accept any funding from the lobbying efforts of profitable multi million dollar adoption agencies The cofounders are

adopted people and are affiliated politically as Independents This book is NOT recommended for adoption profiteers anti abortion fundamentalists evangelicals or individuals against equal rights for adult adoptees For universities and institutions this book is titled Adoption History An Adoptee s Research into Child Trafficking and is available in hardcover **To Dakota and Back: The Story of an Orphan Train Rider** Judith Kappenman,2012-10-01 This man is confused Home is on the other side of the world back in Boston How could this be home He was just going to Dakota and back Tom said it on the train The Sister promised he wasn t going to stay here forever just help with the farm work But they lied Tom and he had the same tags on their jackets and Tom was gone In 1877 John was born to Irish immigrants in South Boston He has an older brother and younger sister But after his mother s death when John was age four he spent several years in the Home for Catholic Destitute Children Now he is to work as indentured servant until adulthood P 4 of cover **Orphan Train Rider** Andrea Warren,1996 Discusses the placement of over 200 000 orphaned or abandoned children in homes throughout the Midwest from 1854 to 1929 by recounting the story of one boy and his brothers *Orphan-Train Rider One Boy's True Story* Ana Warren,1996-01 **Nettie and Nellie Crook: Orphan Train Sisters** E. F. Abbott,2016-02-16 Twin sisters Nettie and Nellie Crook are taken away from their disfunctional parents in 1910 when they are only five years old and placed in an orphanage at six they are put on the orphan train by the Children s Aid Society and moved from New York City to Kansas ending up in a household where they are treated more as servants than children **Wisconsin Magazine of History** ,2003

We Rode the Orphan Trains Andrea Warren,2001 Listen to child orphans as they share their memories of transition and adventure disappointment and loneliness but ultimately of the joy of belonging to their own new families They were throwaway kids living in the streets or in orphanages and foster homes Then Charles Loring Brace a young minister working with the poor in New York City started the Children s Aid Society and devised a plan to give homeless children a chance to find families to call their own Thus began an extraordinary migration of American children Between 1854 and 1929 an estimated 200 000 children mostly from New York and other cities of the eastern United States ventured forth to other states on a journey of hope Andrea Warren has shared the stories of some of these orphan train riders here including those of Betty who found a fairy tale life in a grand hotel Nettie Evans and her twin Nellie who were rescued from their first abusive placement and taken in by a new kindhearted family who gave them the love they had hoped for brothers Howard and Fred who remained close even though they were adopted into different families and Edith who longed to know the secrets of her past This is powerful nonfiction for classroom and personal reading and for discussion School Library Journal starred review

A Cowboy of Convenience Stacy Henrie,2018-06-01 Groom by Agreement A real home it s what Vienna Howe dearly wants for her young daughter Yet the ramshackle property she just inherited hardly qualifies She can t afford the repairs until foreman West McCall suggests they start a dude ranch together For propriety s sake they ll need a marriage in name only a practical solution for two wary hearts Years ago West convinced Vienna to marry a man of means never realizing how

cruel her husband could be Guilt ridden he intends to secure the lovely widow s future But despite his reluctance to get close to anyone this union might do more than fix Vienna s ranch It could open the door to a warm loving future Orphan Train Riders Kay B. Hall,1992 From 1854 to 1929 about 150 000 orphans from New York City and the surrounding area were placed in homes in the Midwest and West The children were sent out on Orphan Trains This is the first volume in a series of stories written by orphan train riders and their descendants **Adopted** Suzanne Slade,2007 Provides a resource for adopted teens who struggle with questions of identity the search for and meeting with birth parents and adoption by those of a different race or country and offers advice and anecdotes from adopted teens **Here Is Where** Andrew Carroll,2013-05-14 Here Is Where chronicles Andrew Carroll s eye opening and at times hilarious journey across America to find and explore unmarked historic sites where extraordinary moments occurred and remarkable individuals once lived Sparking the idea for this book was Carroll s visit to the spot where Abraham Lincoln s son was saved by the brother of Lincoln s assassin Carroll wondered How many other unmarked places are there where intriguing events have unfolded and that we walk past every day not realizing their significance To answer that question Carroll ultimately trekked to every region of the country by car train plane helicopter bus bike and kayak and on foot Among the things he learned Where in North America the oldest sample of human DNA was discovered Where America s deadliest maritime disaster took place a calamity worse than the fate of the Titanic Which virtually unknown American scientist saved hundreds of millions of lives Which famous Prohibition agent was the brother of a notorious gangster How a 14 year old farm boy s brainstorm led to the creation of television Featured prominently in Here Is Where are an abundance of firsts from the first use of modern anesthesia to the first cremation to the first murder conviction based on forensic evidence outrages from riots to massacres to forced sterilizations and breakthroughs from the invention inside a prison of a revolutionary weapon to the recovery deep in the Alaskan tundra of a super virus to the building of the rocket that made possible space travel Here Is Where is thoroughly entertaining but it s also a profound reminder that the places we pass by often harbor amazing secrets and that there are countless other astonishing stories still out there waiting to be found Look for Andrew s new book My Fellow Soldiers Bridie's Daughter Robert Noonan,2007-08 From 1854 to 1929 more than 200 000 homeless children left New York City on orphan trains to find new lives across the country Some found loving homes others experienced physical and mental abuse Bridie s Daughter brings that world to life in this second novel in Robert Noonan s Orphan Train Trilogy Bridie s Daughter is an eye opening tale that follows four teen aged children who are filled with hope concern and uncertainty as they ride the rails to an unknown future Once the train stops however it s a roll of the dice where they ll each end up Bridie McDonald a wealthy spinster finds in Catherine the daughter she has always wanted Catherine learns to love Bridie and her new elegant home but is concerned about Bridie s relationship with Jack her mentally challenged handyman Though most of the citizens of Newberry Illinois befriend these children some are not so welcoming believing all the orphans from New York
