Mais Oui Introductory French And Francophone Culture:

Mais Oui! Chantal Thompson, Elaine Phillips, 2011-10-10 MAIS OUI's success was founded on its unique guided approach that engages students in the discovery of the French language and Francophone cultures. Through its proven methodology that entails thinking then observing and inferring and finally confirming the program skillfully encourages students to discover for themselves how the language works. As students develop these essential critical thinking skills they uncover the multiple layers of meaning which are then stored in long term memory. This method moves students more rapidly through the material and facilitates faster development of proficiency. *Mais Oui! Student Activities Manual* Chantal Thompson, Elaine Phillips, 2008-01 The Workbook section of the SAM provides structured written practice of the materials introduced in the corresponding chapters and additional reading comprehension based on cultural and journalistic topics. The Laboratory Manual section designed for use with the audio program contains pronunciation practice and a variety of listening comprehension tasks.

Mais Oui! Elaine Phillips, Chantal Thompson, 2009-06-21 Mais oui's success is founded on its unique guided approach that engages students in the discovery of the French language and Francophone cultures. Through its proven methodology that entails thinking then observing and inferring and finally confirming the program skillfully leads students to discover for themselves how the language works. Multiple layers of meaning are uncovered and as a result students develop critical thinking skills that empower them to take control of their own learning. What they acquire in this manner is stored in long term memory moving students more rapidly through the material and facilitating faster development of proficiency. In the new Fourth Edition the introduction of a cutting edge interactive eBook enhances this methodology and active learning approach. The program's content comes to life from the click of an icon on the eBook page through engaging video audio interactive practice and synchronous voice chat. A balance of skill getting and skill using activities provides a setting that serves as a natural stage for the introduction of vocabulary structures cultural concepts and the practice of language functions.
