Thomas (Classic Reprint)** Thomas B. Van Horne, 2015-07-08 Excerpt from The Life of Major General George H Thomas  
General Thomas once said to the author Time and history will do me justice He however desired that a narrative history of  
the Army of the Cumberland should precede all biographical representations of himself It is probable that he overestimated  
the direct and suggestive force of such a narrative to effect his own vindication and it is certain that he did not anticipate the  
disparaging tenor of histories published since his death Justice has not been done him in the opinion of multitudes who  
believe him to have been a very great man and general and there is therefore need of a book which has been written to give  
the well defined reasons for this belief Private and family letters have been excluded from this volume in deference to  
General Thomas expressed opinion that no strictly personal communications should be published except with the consent of  
those writing them For the details of operations which have been analyzed and discussed the reader is referred to my History  
of the Army of the Cumberland and Captain Ruger s accompanying Atlas from which have been taken reduced battle maps

of the United States April 6 1887 As in art the elements of truth beauty and strength unite to form a masterpiece so does this combination enter into the formation of the grand character of whom it is my pleasure to talk to you to night True strong and brave George H Thomas the greatest of Virginians since the days of Washington threw his whole soul into the scale on the side of the nation against the secessionists who sought to carry his native State out of the Union into the thrall of the Southern Confederacy About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Major-General George H. Thomas John Watts Depeyster,2017-07-13 Excerpt from Major General George H Thomas The Annual Address Delivered Before the New York Historical Society Tuesday Evening January 5 1875 All the virtues and general abilities ascribed to the mythical Virginian of a century since all the virtues and military excellence credited to the idol of Southern worship in the present generation all these belonged in reality in a greater degree to the man whom the masses do not seem to have been able to appreciate on account of the very simplicity which was his peculiar characteristic He has no parallel except Epaminondas the greatest of the ancient Greeks and Gustavus the foremost man of all this modern world Like the grand Swede he was one who was never dismayed nor puzzled from early manhood till the hour of his death And why Because his whole entity moral mental and physical could be likened to nothing so well as to a cube a body representing mathematical perfection in the entire equality of all its parts This figure conveys the thorough solidity exact poise nice adjustment and perfect distribution of every characteristic necessary to complete one of the Godlike men on whom common mortals build their trust About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic
