Make Meetings Matter Paul Axtell, 2020-02-01 Meetings should matter No one wants to be called in for a meeting that could ve been an email No one wants to sit in a meeting where everyone s distracted or talking over each other If you re going to attend or lead a meeting don t you want it to well matter Meetings are a chance to initiate a conversation with your teammates You can communicate information with them that wouldn t have the same hold digitally You can foster new relationships with your coworkers and learn from their new ideas and perspectives So why do so many people dread meetings Because they re doing them all wrong Change the way people think about meetings Transform their opinions by holding a meeting that is efficient and productive that is open and communicative that is useful and important Revolutionize the definition of a meeting Learn to make them matter Paul Axtell affirms the importance of meetings and he redesigns them using the vital foundation of conversation With real life examples and actionable advice he shows you how to design meetings for results lead them to achieve agendas that move projects forward and even allow time for building the relationships that make working together in a remarkable way possible Based on his award winning efficiency training this book will revolutionize the meeting moving it from that dreaded obligation to a powerful way to get things done in business and in life

Make Virtual Meetings Matter Paul Axtell, 2020-06-08 Meetings should matter Even and especially when those meetings are taking place online No one wants to be called in for a meeting that could ve been an email No one wants to sit in a meeting where everyone s distracted by whatever else is happening on their screen everyone is lost in the weeds or people continue talking over each other If you re going to attend or lead a meeting don t you want it to well matter An update to the original Make Meetings Matter this work is tailor made to help consumers get the most from every meeting virtually Meetings are a chance to initiate a conversation with your teammates Not simply check a box on an agenda You can foster new relationships with your coworkers and learn from their new ideas and perspectives So why do so many people dread meetings Because they re doing them all wrong Change the way people think about meetings Transform their opinions by

holding a meeting that is efficient and productive that is open and communicative that is useful and important Paul Axtell affirms the importance of meetings and he redesigns them using the vital foundation of conversation With real life examples and actionable advice he shows you how to design meetings for results lead them to achieve agendas that move projects forward and even allow time for building the relationships that make working together in a remarkable way possible Based on his award winning efficiency training title *Make Meetings Matter* and updated for the virtual meeting experience this book will revolutionize the meeting moving it from that dreaded obligation to a powerful way to get things done in business and in life *Meetings Matter* Paul Axtell, Timothy P. White, 2015-01-20 This book will change your mind forever about that useless meeting you are forced to attend Paul Axtell emphasizes that meetings are vital to the work of successful organizations we need to master the skill sets for designing leading and participating in meetings A consultant with more than 30 years in the business Axtell outlines 8 strategies with a host of compelling ideas you can put into action immediately This is a book for the manager who recognizes that meetings are at the core of the work you do the supervisor who wants to be wonderful to work for the employee who wants to contribute as much as possible the project leader who wants every team meeting to add velocity to the project Meetings are essential So let's make them work **Kill Bad Meetings** Kevan Hall, Alan Hall, 2018-02-27 Are you ready to save a day a week Make meetings matter again This book could be the best investment in your productivity and engagement that you ever make Meetings are probably the largest unmanaged cost area in large organizations Today meetings consume about 40% of working time for managers and professionals our most senior and expensive people People are frustrated with too many boring irrelevant or badly run meetings Research shows that managerial and professional people on average spend two days per week in meetings For business this is a huge cost Kill Bad Meetings will show you how to cut out the unnecessary meetings topics and participants that make many meetings irrelevant Unlike other books looking at improving the effectiveness of meetings this book starts with cancelling meetings altogether Kill Bad Meetings will show you how to save yourself several hours of time a week so you can move on to focus on improving the planning and running of the remaining 50% of meetings that actually do need to happen *How to Stop Wasting Time in Meetings*, 2021 Does anyone love meetings Let's face it meetings have a bad reputation and we probably all know why They can waste time add confusion and lack clear takeaways The good news is that they don't have to be this way In this course taught by creativity productivity expert Samantha Bennett Sam explains the various ways in which you can make meetings more impactful She walks through how you can set a clear meeting purpose based on the stakeholders and the type of meeting and how to get aligned on a direction and ensure all voices and perspectives are heard She also imparts her rules for effective meetings how to follow up and how to hold folks accountable after your meeting If you take the time to watch this course you might just find yourself making more of your time in your next meeting This course was created by Madecraft We are pleased to host this training in our library *Making Meetings Matter* James Ware, 2016-01-20 It is common to feel that

corporate meetings are a waste of time Time that could be better spent getting real work done But it doesn't have to be that way This book is dedicated to the proposition that meetings can be meaningful productive and even fun all at the same time We need to bring business meetings into the digital age in the same way that we have reinvented business planning and written communication In a technology rich world filled with people working flexibly remotely and across multiple time zones the way we lead meetings is out of alignment with 21st century organizational reality This book is all about reinventing the business meeting It offers advice and guidance for streamlining and strengthening all kinds of corporate conversations but it focuses where it should on the formal meetings that fill up over 50 percent of most managers calendars *No More Boring Meetings, Okay?* Tony Stubblebine, Alicia Liu, Terrie Schweitzer, 2016-03-26 Managers balk at a 500 purchase but don't blink an eye at calling five people into an hour long meeting But the truth is the meeting costs more Most meetings are a waste of time This book helps you change that With this book you'll learn how to use meetings to achieve your goals You'll become a persuasive meeting facilitator You'll walk out of meetings with clear decisions focused action items and the confidence that you've gotten the most creative and innovative ideas from your team No more boring meetings okay Give and Take Jack Gratus, 1990 Prepare yourself properly for meetings Choose the best location Ensure the meeting stays on course Eliminate time wasting diversions Cope with difficult members of the meeting Achieve the best action and results Work together as a team Bring the meeting to a satisfactory conclusion
