what these individuals have to live with Understand this difference because mental challenges the true challenges in the mind lie directly within us Whether it is thinking before you react or realizing that you have a choice in life I have set up a list of factors that render us challenged mentally In life these are the challenges that prevent us from becoming advanced individuals Advanced individual s makes for advanced people and advanced people make a better way for a positively advancing society which is highly probable of influencing the necessary change In chapters like Talent is Talent Coleman talks about how society has fixed our minds on believing that you can only achieve in what activity you are permitted to do Parenting is a very delicate chapter because it focuses on preparing our children to become educated Which indeed is a contributing factor to the necessary change within us and around us Various chapters throughout this book are going to guide you all you have to do is be willing to consider and utilize the information Self reflection is a practice and a practice that Coleman s book will implement into many lives by recognizing and specifying what mental challenges can help improve who you are If you ever wanted better from yourself then it will take patience consideration and a mirror A special mirror has been created within the chapters of the book to help you create yourself into the image of you which God has designed With this book you cannot fail yourself because you can overcome and reverse the effects of these challenges You may be wondering what the difference is from this book and other self help projects Nothing This book is just like those other self help titles because it is another crucial and delicate piece to the puzzle Mentally Challenged Why Name Call is a contributing body of knowledge devoted to help create a stride within you to know and value yourself better If you want better you are going to have to face you first and here is your chance to make it all happen Create yourself or discover yourself the choice is yours
